

TOLTON'S No. 1 Double Root Cutter

Points of Merit

1. To change from pulping to slicing is but the work of a moment.
2. There are two separate wheels, one for pulping and the other for slicing.
3. The united force of both wheels is always used in doing the work of either capacity.
4. The hopper is between the wheels, and does not choke.

The Only Double Root Cutter Manufactured

Fitted with Roller Bearings, Steel Shafting, and all that is latest and best in principle, material and construction.

GOSSIP. ABERDEENSHIRE CLYDESDALES FOR CANADA.

A correspondent of the Aberdeen Free Press writes: "Mr. J. R. Johnson, of Springford, Ontario, recently sailed from Glasgow per S.S. Marina, with a shipment of 22 Clydesdale fillies and 2 colts; and the former were regarded by many reliable judges as one of the best lots of fillies that ever left Scotland. Two were bought from Mr. Marr, Uppermill—a two-year-old and a yearling. The two-year-old was first and champion at the Formartine Agricultural Society's Show last year, and got by a son of Baron's Pride. The one-year-old was sired by a son of the famous Prince Thomas. The dams of the fillies are of Mr. Marr's famous Darnley and Prince of Wales blood. A three-year-old and a two-year-old from Mr. Walker, Coullie, were by sons of Baron's Pride—Carbineer and Royal Edward. There was a two-year-old filly from Mr. Ainslie, Pittfour, by Mr. Marr's good breeding horse, Cairnbrogie Chieftain, by Prince Thomas. The dam was by the famous Royalist, by Darnley, and the grandam by Lord Erskine. A two-year-old filly from Mr. Black, Flinthills, was by Mr. Burr's Gallant Chattan, half-brother to Mr. Park's Highland Society's champion last year. A two-year-old filly from Mr. P. Gray, Andet, was sired by Flashlight, out of a dam by the good breeding horse, Fortune Still. Two two-year-old fillies were from Mr. Reid, Balgreen, King-Edward, both by Hillhead Chief, their dams being got by Prince of Carruchan and Prince of Fortune, both champion horses. There was a three-year-old from Mr. Keith, Kinnermit, Turriff, by Michaboe, got by Hiawatha; a two-year-old from Mr. Alexander, Overhall, Fyvie, got by the Highland Society champion of last year, Royal Chattan, out of a dam by Royal Alexander, also a noted prizewinner at the Highland; a two-year-old from Mr. Argo, Crichton, also by Royal Chattan, dam by Prince of Carruchan; a two-year-old from Mr. Durno, Jackstown, by the great horse, Royal Edward, and out of a dam by Prince Thomas, both champions; a yearling from Mr. Durno, Mains of Glack, by Knight of Albion, by the £3,000 horse, Prince of Albion; a three-year-old from Mr. Gray, Pittinane, after Sir Arthur, by the Darnley horse, Sirdar, and out of a dam by Young Keir Darnley; a two-year-old from Mr. Ferguson, Lumphart, by Ornamental, after Baron's Pride; a two-year-old from Mr. Pfessly, Tarves, sired after Gold Crown, by Gold Mine, first-prize winner at the Highland Society; a two-year-old filly from Mr. Davidson, Ironbrae, sired by Mr. Burr's horse, Baron Maceachran, exported to Canada when three years old, and which has won several first prizes there; a yearling from Mr. Massie, Nethermill, Tarves, also by Baron Maceachran, dam by Crown Royal, by Darnley; a two-year-old from Mr. Durno, Eastertown, by Royal Chattan, dam by Mount Royal, sire of the renowned Royal Garty; a five-year-old mare from Mr. White, Backhill, Eastertown, sired by Gold Mine, dam by Sir Everard, the sire of Baron's Pride; and a two-year-old colt from Mr. Alexander Burr, Tulloford, sired by Ornamental, dam by Prince Robert. Mr. Johnson fancied the breeding of this colt, being a Hiawatha-Baron's Pride combination, and intends mating him with a few of the fillies. There was also a very good yearling colt from Mr. Burr, sired by the grand old horse, Mains of Airds, dam by Sir Joseph, a grandson of the famous Prince of Wales. This colt is a pure blend of Darnley and Prince of Wales blood. Mr. Burr was unwilling to part with this colt, he being entered for the forthcoming Aberdeen Show. It may be recalled that he was third in the open and also the sweepstake classes at the spring show at Aberdeen, in a class of 27 entries. Mr. Johnson was greatly pleased with his big size, beautiful color and quality. Mr. Johnson was assisted in his selection by Mr. Burr, Tulloford, to whom he had given an order to locate about a score of well-bred fillies some months ago. Mr. Johnson had intended shipping other classes of stock, but after visiting the various farms, where he made purchases, he was so pleased with the big, wide, heavy mares throughout Central Aberdeenshire, and also the highly bred stallions travelling the districts where the highest terms have been paid during the last 25 years (Continued on next page.)

Lost Strayed or Stolen—One Cow

That is about what happens each year for the man who owns five cows and does not use a Tubular cream separator. He loses in cream more than the price of a good cow. The more cows he owns the greater the loss. This is a fact on which Agricultural Colleges, Dairy Experts and the best Dairy men all agree, and so do you if you use a Tubular. If not, it's high time you

did. You can't afford to lose the price of one or more cows each year—there's no reason why you should. Get a Tubular and get more and better cream out of the milk save time and labor and have warm sweet skimmed milk for the calves. Don't buy some cheap rattle-trap thing called a separator; that won't do any good. You need a real skimmer that does perfect work, skims clean, thick or thin, hot or cold; runs easy; simple in construction; easily understood. That's the Tubular and there is but one Tubular, the Sharples Tubular. Don't you want our little book "Business Dairymen," and our Catalog A.193 both free? A postal will bring them.
