Joyful News for the Afflicted. PARKER'S COVE, N.S.,

March 1st, 1877.

DR. C. GATES :-

DEAR SIR,-I should have written to you before but owing to sickness and business I have been prevented from doing so. I feel it my duty to send you the following information from gratitude to you and for the benefit of those suffering as I was. I have been greatly afflicted with dyspepsia and biliousness for about 25 years, tried doctors but got no cure. About 5 years ago I tried a few bottles of your Life of Man Bitters and No. 1. Invigorating Syrup, from which I obtained great relief up to the present for which I feel very thankful to God and to you, and would recommend your medicines to all suffering with the same complaints as dyspepsia and the like.

Since you was at my house, Thomas Rice was taken very ill with a dreadful sore throat, bordering on diphthria, we used your Acadian Liminent and nerve Ointment freely from which he obtained great relief. Others in our neighborhood are using your medicines and the result is good. Wishing you great success,

I remain yours, REV. H. ACHILLES.

CURE OF EPILEPSY OR FALLING FITS
BY HANCE'S EPILEPTIC PILLS.

Persons suffering from this distressing malady will find Hance's Epileptic Pills to be the only remedy ever discovered for curing it. The following certificate should be read by all the afflicted; it is in every respect true.

A MOST REMAR KABLE CURE.

Tonganozic Leavenworth Co., Ran., April 2, 1876.

SETH S. HANCE,—Dear Sir:—The Epileptic Pills that I received from you last September have accomplished all that you recommended them to do. My son is hearty, stout, and robust: he is as hearty as any child in Kansas—indeed he is in the manner a new boy, being red and rosy. Before he commenced taking your Pills he was a very pale and delicate looking child, and had Epileptic Fits for about four years, and seeing your Pills advertised in the Christian Instructor, I sent to you and got two boxes of them, and he has not had a fit since he commenced taking them; he has been exposed to all changes of weather in going to school and on the farm, and he has not had a fit nor a sympton of one since he commenced taking your Pills. He learns well at school, and his mind is clear and quick. I feel that you are not sufficiently paid for the service and benefit you have been to us in restoring our child to health. I will cheerfully recommend your Pills to every one I hear of that is afflicted with Epilepsy. Please send me some of your circulars, so that I can send them to any that, I hear of that is afflicted in that way.

Respectfully, etc., LEWIS THORNBRUGH.
