

LETTERS TO THE EDITOR

FOR PATRIOTIC FUND.

Editor Ontario.—There is an abundance of theatrical talent in our city which could be advantageously employed, from time to time, in augmenting the patriotic or other necessary funds. Having seen the popularity of the celebrated play—"The Lady of Lyons"—acted by amateurs during the last year of the civil war of the U.S. and those who have patriotism and theatrical ambition to make arrangements for the rehearsals for this military play—although illustrating the military glory of France was written by the great Bulwer Lytton. No greater opportunity presents itself to young and talented gentlemen and ladies, of histrionic study and ambition than the timely and proposed play, "The Lady of Lyons" and if arrangements be made for its presentation, the writer, who is nearly forty years of age, will most assuredly assist in the production, stage arrangements, etc.

Pro pro. publico et aris et ecclis

Touching Wires Dangerous.

While a number of lads were playing on Percy street last Monday the stunt was to climb up the ladder on the side of the water tank and touch one of the wires passing above. While trying this, Master Joey Reed happened to touch a live electric light wire with one hand with the other touching the water in the tank brim, causing a short circuit. His hand was burned across the palm and the tips of the fingers and he was unable to let go. He took his feet off the ladder loosened the grip and he fell to the ground. Fortunately the boys' injuries are not serious.

He had touched one of the low voltage (110 k v) wires. Had he touched a high voltage (2200 k v) he would almost certainly have been electrocuted. It appears the boys have been doing this stunt, but have miraculously escaped touching the live wires. Parents would do well to caution the children of the danger of touching any wires, any of which are liable to become charged with the electricity.—Colborne Express.

Laying of Corner Stone.

On 17th Sept. the corner stone of the new Carnegie Library at Stirling, will be laid under the auspices of the Grand Lodge of A.F. and A.M. of Canada.

Impurities of the Blood Counteracted.—Impurities in the blood come from defects in the action of the liver. They are revented by pimple and unsightly blotches on the skin. They must be treated inwardly, and for this purpose there is no more effective compound to be used than Farme's Vegetable Pills. They act directly on the liver and by setting up healthy processes have a beneficial effect upon the blood, so that impurities are eliminated.

MR. AND MRS. KING SAFE IN LONDON

Had Been in Leipzig Where Mr. King Was Studying Orientals.

According to a cable received by friends in Toronto Mr. and Mrs. Geo. B. King are safe in London England. Some apprehension was felt for their safety as they were residing in Leipzig, Germany, where Mr. King was attending the university engaged in research work in Oriental languages. Mr. and Mrs. King will likely remain in England for a time at least if not for a time at least if not for two years in order to allow Mr. King to complete his course of study.

CLOSING OF MASSASSAGA PARK

One of the most enjoyable evenings ever spent at Massassaga Park was the event that took place Friday evening when Mr. E. Levitt, proprietor of the park and his two sons, Ray and Ralph entertained the campers in the season numbering about forty.

At eight o'clock the new spacious yacht "Say When" left Miller's dock with the happy crowd, landing at the park at 8.30 there to find the place lighted and decorated for the occasion. Every one enjoyed the dancing to a late hour, after which all retired to the hotel where a delectable luncheon was prepared. The happy gathering broke up in the small hours by giving three cheers for Mr. Levitt and singing "For He's a Jolly Good Fellow." All enjoyed the beautiful moonlight return sail when singing was indulged in.

When the boat landed Mr. Don, Bleecker and H. R. Moorman formed the crowd in one company and paraded up Front street, singing Rule Britannia and God Save the King. Mr. James Goodsell and Mr. Post brought up the rear. The Bell Telephone boys were in their usual good form and added much to the fun of the evening. All will be glad to know that Mr. Levitt will be running the park next year.

Good Fishing.

The fishing on Monday was unusually good, Messrs. W. Watts, A. H. Connor, J. D. Narrie and W. Inkster caught their full limit of fine big bass and four lunge at the head of Crowe Lake. Mr. B. Hertz and companion from Deloro caught eight bass that weighed over 21 pounds after being cleaned the next day. One weighed 5 pounds when cleaned.

ATE TOADSTOOLS FOR MUSHROOMS

Special to the Ontario.

Brighton Ontario, Sept. 14.—The funeral was held here this afternoon of Dr. Adam Lindsay Wright Webb who passed away at his home on Friday, after three days' illness caused by eating toadstools in mistake for mushrooms. Dr. Webb, who was the son of the late Major Webb, was a rising young physician and has an extensive practice. He practised at Westbourne before coming here. He was in his thirty-sixth year and was unmarried. His mother and one sister survived.

Called to Oshawa.

Rev. John Garbutt, pastor of the Cobourg Methodist church, and President of the Bay of Quinte Conference, has accepted a unanimous invitation from the Official Board of the Synod at Methodist church, Oshawa, to become their pastor at end of present Conference year. Mr. Garbutt has accepted.

Gilead Patriotic Association.

A meeting of the residents of the Township of Thurlow in the vicinity of Gilead was held Friday night in the Methodist church at Gilead for the purpose of organizing to assist in furnishing supplies for the men from the county of assistance at winter camp, also field hospital supplies.

Rev. Mr. McLeod, the Presbyterian minister occupied the chair and an address was delivered by W. C. Mikel, K.C.B. in which he said that everything possible should be done by the people at home for those who are fighting our battles. This is everybody's war and it is encouraging to see how eager both the young and old are to assist. Home Guards are being formed in almost every municipality. Others are volunteering for the front, and most people are assisting in the work in some form.

If we at home decided to be content with the simple wholesome strengthening food supplied to our fighters at the front, and gave the difference between the cost of that food and the more expensive and less nourishing food we eat to the patriotic fund enormous sums could be raised.

Mrs. W. C. Mikel was present and gave instructions to the ladies as to making Balaclava caps, wrist bands and shabra belts for the camp and also supplies for the field hospitals. A committee composed of Mrs. Embury, Mrs. Balcanquel, Mrs. Wallace, Miss Reid and Miss Treverton was appointed to take charge of the work.

Faultless in Preparation.—Unlike any other stomach regulator, Farme's Vegetable Pills are the result of long study of vegetable compounds calculated to stimulate the stomachic functions and maintain them at the normal condition. Years of use have proved their faultless character and established their excellent reputation. And this reputation they have maintained for years and will continue to maintain, for these pills must always stand at the head of the list of standard preparations.

SUFFERED EVERYTHING

For Years, Restored To Health by Lydia E. Pinkham's Vegetable Compound.

Canadian women are continually writing us such letters as the two following, which are heartfelt expressions of gratitude for restored health:

Glanford Station, Ont.—"I have taken Lydia E. Pinkham's Vegetable Compound and never found any medicine to compare with it. I had ulcers and falling of womb and doctors did me no good. I suffered dreadfully for years until I began taking your medicine. I also recommend it for nervousness and indigestion."—Mrs. HENRY CLARK, Glanford Station, Ont.

Chesterville, Ont.—"I heard your medicines highly praised, and a year ago I began taking them for falling of womb and ovarian trouble. My left side pained me all the time and just before my periods which were irregular and painful it would be worse. To sit down caused me pain and suffering and I would be so nervous sometimes that I could not bear to see any one or hear any one speak. Little specks would float before my eyes and I was always constipated. I cannot say too much for Lydia E. Pinkham's Vegetable Compound and Liver Pills, for there are no medicines like them. I have taken them and I recommend them to all women. You may publish this testimonial."—Mrs. STRAHERN J. MARTIN, Chesterville, Ontario, Canada.

THREE CONVICTS TO JOIN ARMY

Have Received Parole From Pen on These Conditions.

Three convicts now serving time in Kingston Penitentiary, who have previously served in the militia and who asked for parole on condition that they enlist with the Overseas contingent, will be liberated very shortly, or other of the regiments going to the front.

Word reached here from the authorities at Ottawa this morning that the application for parole had been received and that, after considering the situation, it was decided to allow them their parole on certain conditions. Although all the conditions have not been given out it was learned at the penitentiary that the three are given the parole provided that they join the Overseas contingent going shortly from Valcartier. In the second place they must join within a short time after being liberated or the parole will be cancelled.

OBITUARY.

ANDREW W. HOUGH.

Andrew W. Hough passed away on Saturday at his home in the Fifth Concession of Hillier, Prince Edward after a short illness. He was 49 years of age. He formerly resided in the ninth of Thurlow, but had been living in Prince Edward for the past 15 years. Mourning the loss are his widow, three sons, the Rev. Dorland, and Everett, all at home and one daughter, Mrs. Cecil Fitchett of Smithfield. In religion he was a Methodist and fraternally a member of the Canadian Order of Oddfellows. Burial will be in the family plot at Halloway cemetery.

WM. B. ROSS.

(From Monday's Daily.) William B. Ross died in this city yesterday at the age of eighty-four years, six months, and four days. He was a native of Tyndinaga and leaves to mourn his loss one brother, Elias Ross, Bayside, and three sisters, Miss Sarah Jane, at the old homestead, Mrs. Ira C. Badgley, 4th of Thurlow and Mrs. Mary Sager, St. Paul, Minnesota.

COULDN'T WAKE THEM UP.

German Soldiers Had Been on the Go for Three Days.

Paris, Sept. 12.—During the third day's fighting in the battle on the Marne a detachment of the French, which had chased the enemy out of a village, was halted by an old woman, who led them to a barn where there were thirty Germans, telling them to make no noise as they were asleep.

A man crept noiselessly into the barn and found the Germans sleeping so soundly that it took him an hour and tremendous shaking to wake them. One explained that he had not slept for three days. They had been harassed by the French and English, and the evening before they had entered the barn, where all fell asleep from sheer exhaustion.

WAS PINCHED

For Trafficking in Horses Belonging to Others.

Frank Gonyou of Addington county has undoubtedly learned by this time that honesty is the best policy and must now be fully convinced that trafficking in stolen horses is not as lucrative a job as it appeared to him. On Thursday last he was in the neighborhood north of Actonville and had offered to sell a horse to several different farmers, but failed that day to get a buyer. Mr. Frank Plue, one of the gentlemen who he approached for the animal and when Gonyou signified his willingness to accept the offer Plue "smelled a rat" as the saying goes and politely ordered him to beat it off the premises.

On Friday morning Mr. Plue, of Tweed, was in the north country on the particular mission of buying a team of horses and meeting Gonyou a deal was very soon consummated. Gonyou being a stranger to him Mr. Plue had the suspect anything wrong and when the price was fixed, \$80, he tendered his cheque for the amount, payable at the Royal Bank, Tweed, and brought the animal home with him. The payment by cheque instead of by cash was a Gonyou came to town and got the cheque cashed and spent the evening here. In the meantime Mr. Plue had telephoned Flinton to find out if Gonyou had a horse of his own and the information that came over the wire was quiet convincing that there had been a theft which proved to be true and on Friday evening Mr. Geo. Pringle, of Flinton, from whom the animal was stolen, drove to Tweed accompanied by Mr. Plue, and had a warrant issued for the arrest of the thief. Chief Molyneux in whose hands the warrant was placed learned that Gonyou was registered at the Queens hotel and had retired for the night. After making sure that every avenue of escape was properly guarded the chief went to the room number for which Gonyou was booked only to find that the room had been vacated. He was afterwards arrested on main street apparently on his way to take the early train out. Besides \$67.60 in cash which was found on his person he had several new articles of furnishings including shirts, socks, boots and a new suit case. He was placed in the lockup and on Saturday afternoon came before magistrate Powby and Davis for hearing. Evidence was submitted by Pringle. Plue denied that he and the accused was committed to Napanee to await his trial. The horse was returned to its owner and Mr. Meraw will get back the \$57.60 and the magistrate by whom the case is tried should also see that Mr. Meraw gets the goods for which his money was spent. We might add, in conclusion that Gonyou admitted the theft immediately upon being arrested but he made no statement at the preliminary hearing.—Tweed Advocate.

Bought Prize Pullet.

Mr. James Skinner, Catherine St., last week purchased in Toronto the light branna pullet which won first prize at the Canadian National Exhibition.

We sell the best Lantern made at 75c each.

Wm. McIntosh & Co.

Good Times Ahead

THE sudden breaking out of war caused many to "run to cover." Like the chicken on whom the rose leaf fell, some of us become a prey to fear and were ready to declare "the sky is falling."

Now our vision is clearing, our alarm has fled, we have recovered our poise and our courage. We are seeing, also, our opportunity. Swiftly and almost overwhelmingly has come to us the perception of the fact that the competition of Continental Europe has been taken away. We are faced with a condition and an opportunity both tending to our advantage as a country of industry, agriculture and trade. Good times are ahead, if Canada and Canadians see and seize the present opportunity for enlarging their industries and trading.

WE MUST BE CAREFUL WE MUST HAVE COURAGE
