WANT AD HOROSCOPE

June 28. A woman born on this date should be most careful in selecting her friends. She will be so difficult to understand, because of her changing moods, that few people will have patience with her. She should not marry early in life, for, being of a restless, changeable nature, she would not be happy long at a time. If she does marry; it had better be a man whose birth date falls between October 23 and November 22, or with one who was born between February 1 and March 22.

A man born on this date has a tendency to indolence, and making changes in his occupation, thus losing much valuable time and energy. Awake to the great truths of life; these people may attain power and influence.

Business chances this coming week will be eagerly sought through a Want Ad, and office positions will offer many advancements.

Corns cannot exist when Holloway's Corn Cure is applied to them, because it goes to the root and kills the growth.
