THE CELEBRATION

The Hantsport July 1st celebration promises to be a grand success. Entertainments have been made in all the different events. The calisthumpian parade, headed by our brass band, and bicycle and children's turnout, are going to be something fine. Last year's show was excellent, but come and see us this year. Contestants have entered in the sports from Wolfville, Kentville, Canning and other places, and our local boys will have to hustle to win prizes. The best horses in this vicinity will strive to be first at the wire and exciting finishes may be expected. If you have not already sent in your entry for the sports you should do so at once, sending name to secretary, Geo. D. Comstock.

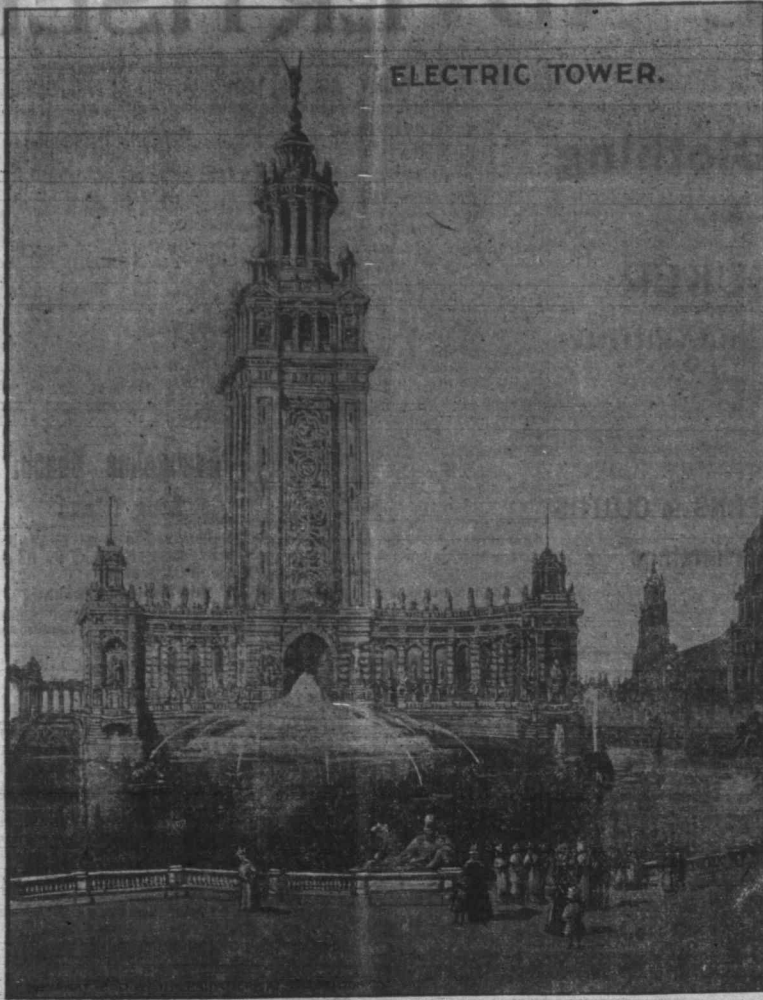

But the concert in the evening: You can't afford to miss that. The Italian Harper's Orchestra from Halifax will be in Churchill's hall, ably assisted by our well known good musical talent, with some good banjo selections and other specialties. Reserved seats are now on sale at F. A. Coffin's. You should purchase early to secure good seats.

As it is superintended by Mr. J. E. Fish, we trust it will flourish successfully.
