Ottawa, May 16.-The debate on th ridicule tipped with bitterness, shot by thoughtless and unfeeling Ignoramuses because they differ a little in their trade policies of the Liberal party during trade policies of the Liberal party during the past five or six years. He would like the Opposition to explain, when they had abandoned the policy of unrestricted reci-procity and adopted that of free trade, how they would be able to secure the market of sixty millions and induce the people of the United States to throw in their lot with us. Mr. Devlin said that Mr. Cockburn had little cause to say any-thing against the Opposition polloy. Two years ago he had gone to Chleago and drawn nearly & 0.00 of the people's money in his capacity as commissioner to the World's Fair. Mr. Devlin wound up, as he began, with an ornate culogy of Sir Richard Cartwright, which was warmly applauded by the Opposition. Mr. Craig Hood's Pills cure liver ills, const illousness, jaundice, sick headache, indi It is well that you are limited in your power as well as thought. You object to me because I differ with you in some things. But, Shingles and Posts. I have for salea quantity of Cedar Shingles and Posts. Apply or write to 3 in. D. C. DILLABOUGH, Elbe Mills. Brother Ignoramus rejoices in the fact that he knows that he has passed from death unto life because he loves Calves For Sale. through and, after due consideration, has decided that manifestations of feel-ing are proof "positive" that a person He lauded by the Opposition. Mr. Craig ated out that there was simply the CONFECTIONERY ice between two policies-the ind protect between two policies—the indefinite shifty policy of the Opposition and the protective policy of the Conservative. The policy of taxation for revenue raised by a moderately protective tariff, that he con-ceived to be a sound Canadian policy—and policy framed in belief in Canadis's re-sources. Mr. Edwards agreed that Canada was a country of grand recorrect; the sources. Mr. Edwards agreed that Canada was a country of grand resources; the trouble was they were not being develop-ed by a policy suitable to the country's requirements. While he was an out and out free trader he would support a revenue tariff as the nearost approach to free trade for which the country was pre-pared. Hon. Mr. Wallace said that it was proposed to reduce the expenditure by two and a half millions this year, and he would like to know how the Opposition would still further economize in that re-gard. For additions to the public debt in recent years the Conservative Govern-ment has splendid assets to show. Mr.
