## AT THE THEATRE

Sapho was presented at the Grand Opera house last evening by the Clara Mathes Opera Co. The play is not a thrilling melodrama, but a simple love story. Miss Clara Mathes as Fanny le Grand, played the part with great feeling. The show is interesting and good.

The specialties between the acts are exceedingly good. Miss Emma Mathes, Frank Sawyer and Geo. Chai are all splendid entertainers. This evening the company play the great and thrilling war drama, South Africa, in which R. H. Barlow, the South African veteran, plays the part of the hero.

South Africa was so favorably received that many requests for another performance have been made and it will be given for the farewell of the Clara Mathes Co. to-night.

War views, new specialties and special scenery will be additional attractions.

DISCUSSED IN THE COMMONS.

London, May 10.—At the conclusion of the questions in the House of Commons to-day, John Dillon, Nationalist, moved the adjournment of the house in order to call attention to the seizure of the Irish People.

Mr. Dillon complained that the action of the authorities was grossly illegal, and asked whether it was due to the attack on Mr. Wyndham, the Chief Secretary for Ireland, or to the attack on the King.

Mr. Wyndham replied that it was owing to the attack on the King.

Mr. Dillon said he was not concerned to defend the violence of the attack but any seizure should have been done through the courts. Far more violent was one on Queen Victoria, which had been made in English papers without the least notice.

William Redmond, Nationalist, seconded the motion, characterizing the article complained of as a very proper and patriotic attack on the conduct of the Chief Secretary.

Mr. Wyndham, in defending the seizure, declined to soil his lips with reading the attack on the King, which constituted seditious libel, or wound the feelings of millions by propagating the outrageous, gross and scurrilous lies of the article.

After Mr. Redmond had commented on the impolicy of the government's action in seizing the paper, which would simply have the effect of fastening attention on the article of the Irish People, many copies of which were in the pockets of members then in the house, and many of which had gone to America.

Mr. Balfour, the Government leader, denied that the government was attacking either the freedom of the press or legitimate Irish agitation. He asked the publication of an obscene libel a necessary weapon for the Nationalists. No epithets he could imply were too strong to describe this foul and poisonous article.

John Burns, Socialist, expressed the opinion that if the article had been submitted to the King he would have smiled and thrown it into the waste paper basket.

The motion for an adjournment was defeated by a vote of 252 to 64.

THE NOTORIOUS O'BRIEN  
ATTACKED THE KING

A Foul and Poisonous Article in "The Irish People" Causes the Seizure of the Paper by the Police—Ministers Approve Action, Strongly Condemning Such Seditious Libel

Dublin, May 10.—The police of Cork, Limerick and other towns of Ireland seized all the copies of William O'Brien's weekly paper, the Irish People, found at the news dealers this morning. The offending articles, it now appears, were abusive attacks on King Edward, Cardinal Vaughan, and the address to the King, which the paper declares was such as might have been presented to a League half a century ago.

The article finds consolation in the fact that the presenters were English Catholics, "who are repudiated by the only really Catholic nation now in existence. The Loyalists represented England only, and if the English Catholics choose to acknowledge themselves separatist isolators it is no fault of ours."

World of Sport

Tecumseh Park is situated on the River Thames, in the centre of the city and is one of the finest sports in this beautiful city of ours. The number of seats, which are placed round the park, give the residents, and also strangers who always visit Tecumseh Park when stopping here, plenty of opportunity to spend an afternoon or evening there.

Any afternoon during the summer months, all kinds of sports are going on. The bowlers have a large portion of the park, the point where McGreggor's Creek enters the River Thames, and from now on the bowlers may be seen.

The cricket club also have their excellent chase in the centre at the north end, and the devotees of the

wicket may be seen practising. Chatham has always been noted for having a first class cricket team, and will always continue so.

There is a baseball diamond also at the south end, but there is no city team to use it. A start should be made by some of the old baseball boys and a city amateur team formed.

There are various other diamonds on the outside portion of the park, where the small boys rule supreme, and some time hence, these boys may be seen in the diamond in the centre, and may uphold Chatham's colors against any amateur team in Ontario.

The city football league has also been formed and Chatham has great prospects in that line. If the Central League is organized the Chatham team will enter it, and will pick their players from the four teams, which are in the local league and certainly should be able to outplay any other team which will enter.

One or two evenings during each week this summer, the soldier boys may be seen drilling on Tecumseh Park, and will draw every patriotic person there. The band in connection with the regiment is one of the best bands in Western Ontario, and it will likely give band concerts on the park at different times during the summer. Chatham has certainly the best park in Western Ontario.

The following are the results of yesterday's ball games.

National League.  
Pittsburg 3, Cincinnati 0.  
Chicago 4, St. Louis 1.  
Other games postponed on account of the weather.

American League.  
Milwaukee 6, Detroit 7.  
Cleveland 4, Chicago 5.  
The other games were also postponed on account of the weather.

Eastern League.  
Buffalo 5, Syracuse 6.  
Toronto 5, Worcester 6.  
Hartford 5, Montreal 5.  
Rochester 2, Providence 4.

Ridgetown Tennis Club will play in Dresden on May 24th.—Ridgetown Standard.

Other matches with Sombra, Dresden and Thamesville are being arranged for.—Wallaceburg Herald.

"Rube" Waddell, formerly of the Chatham baseball team, won his second game for Chicago yesterday against St. Louis—score 4-1.

The first game of the season will probably be played on May 24th, the contestants being the Chatham Wagon Works team and the local team.

The opening game in the Canadian League will be played at Woodstock on Wednesday afternoon next. London and Woodstock will be the opposing teams.

The football game between the Scots and the C. C. I. team, billed for yesterday, was postponed on account of the C. C. I. not being able to get their team together. The game will likely be played on Monday afternoon.

The local baseball lads have their diamond on agricultural park in fine shape and are diligently practicing. They have secured a large membership and purpose putting up a good stiff argument for teams this summer.

"Rube" Waddell says he is no knocker, but he is willing to protect that Pittsburg will never win the pennant. He says the men do not play together, and do too much wrangling to play winning ball.—Detroit Tribune.

The baseball boys are now hard at practice. Taylor, Bothwell's well known catcher, has been signed, and will manage the team. With such

players as Depew, Davis, Hicks, Laing and other good men, the team should make a good showing. The season will be opened May 24th when Walker-ville team play two games here.—Ridgetown Plaindealer.

Ridgetown has had in the past some pretty good 24th of May celebrations but this year's will certainly far surpass previous ones. The gentlemen who have the success of the day's proceedings in their hands are very sanguine of results and say that everything will go with a snap and vim.

The lovers of horseflesh will have ample means of satisfying themselves as \$300 is hung up as prize for trotting, pacing, running, etc., and also a \$5 prize for the best single rig turnout.

Athletic sports have been well looked after and the morning will be principally taken up in running, novelty, potato and wheelbarrow races, jumping, vaulting, etc.

Evidently the committee believe in the old saying, "variety is the spice of life," for along with the above attractions there will be a morning and afternoon game of baseball between Walkerville and Ridgetown. The morning game will be played in the park on Erie street, and the afternoon game at the fair grounds. Walkerville has a good fast team, and they usually scoop up everything in sight. However, they will have a good strong team opposing them. The Ridgetown battery are the best in the league, Wm. Taylor and "Chumney" Depew. You will miss something good if you stay away from the 24th of May celebration at Ridgetown.—Ridgetown Standard.

OUR BRAVE SOLDIER BOYS  
ON FIRST PUBLIC PARADE

A Splendid Showing Made by the Militia Last Evening—A Magnificent Band—Col. Rankin Compliments and Congratulates.

The 24th Regiment made its first public appearance last evening, and a gallant showing the brave soldier boys put up.

The work of the regiment was a revelation. At 7.30 the soldiers assembled at the drill hall and, after review by Colonel Rankin, the companies, headed by the Regimental Band, left the armory and marched up King St. to Aberdeen bridge and return. The whole line of the parade was crowded with interested on-lookers.

Great was the applause showered on the Maple City militia and many were the kind things said about the soldiers by all who saw them march last evening. The band and the music they made also came in for a great deal of praise.

On the return to the drill hall, Col. Rankin addressed his regiment, complimenting them on the splendid manner in which they had acquitted themselves on their first public appearance and expressing the hope that they would do better every time they paraded. He further desired the privates to unite in making the 24th Regiment one of the crack military organizations of the country. The power of accomplishing this lay more with the privates than with the officers. It was to the former the Colonel was particularly addressing his remarks, because the privates had it in their power to make the

regiment one of the best or one of the worst.

With a request to the soldiers to take a pride and interest in the Maple City military organization, of which they were a part, and with an expression of thanks to the soldiers for the willingness they had displayed in turning out, the Colonel closed his address to the men.

MILITARY NOTES.

It is said that "A" Company, Capt. McLaren, marched in almost perfect line.

The color sergeants were busy this week copying the orders into the company books.

A private in "A" company says that all the privates in his corps have good forms, and all look well in uniform.

The helmets were issued Wednesday night. They make quite a difference in the appearance of the regiment.

Pipe Clay is the order of the day for Saturday. It is to be used in whitening the helmets for church parade on Sunday.

The great question arising just now is, who looks best in their uniform. Amongst the officers, Quartermaster Dr. Cornell is the sensation.

The order of march was, Drum Major Douglas, Buglers, 24th Regiment Band, "A" Company, "B" Company, "C" Company, and "D" Company.

In C. Company, Private W. J. Wilson, W. C. McNaughton, J. W. Mann, and "Judge" Richards, make a bold appearance. They have the form to drape a military uniform on.

for Men and Boys, both high cut and low, leather toe cap and strap across vamp, canvas tops, heavy rubber soles, just the thing for any kind of sport.
