DYSPEPSIA NOW CALLED CATARRH OF STOMACH.

Mr. H. Laberge, 1526 St. Catherine street, Montreal, Can., writes:

"I would be ungrateful if I did not write you of the good your medicine, Peruna, has done me.

"For six years I suffered from indigestion and dyspepsia. I tried a number of remedies for this dreaded complaint with little or no good results. A friend of mine brought me a bottle of your celebrated medicine and I began taking it.

"I soon found it to be just the remedy I required, and after taking a few bottles it was completely cured.

"I cheerfully recommend Peruna to all sufferers from dyspepsia and indigestion."

We have on file thousands of testimonials from persons who have been cured of dyspepsia and catarrh of the stomach by taking Peruna.

We can give our readers only a slight glimpse of the vast array of unsolicited endorsements Dr. Hartman is constantly receiving.

If you suffer from stomach catarrh, write at once to Dr. S. B. Hartman, President of The Hartman Sanitarium, Columbus, O., and he will be pleased to give you the benefit of his medical advice free.

A DUTY WOMEN OWE THEMSELVES.

"Good actions speak louder than words," so too, does the testimony of many thousands of women who, during a third of a century, speak louder than mere claims not backed by a guarantee.

There is a remarkable offer for women who cannot be cured. Such a reward is offered for any case of the above maladies which is cured by Dr. Pierce's Favorite Prescription.

There is an invalid woman, suffering from female weakness, proflaps, or falling of womb, or from loss of cornea who has used Dr. Pierce's Favorite Prescription without complete success, the proprietors of that medicine would like to hear from such person—and it will be to her advantage to write them as they offer, in each case, a reward of \$500 for any case of the above maladies which they cannot cure. No other medicine for woman's ills is possessed of the unparalleled curative properties that would warrant its makers in making such an offer.

The Sisters of the Good Shepherd, at their convent, "Our Lady of the Woods," Carthage, Ohio, use a great deal of Dr. Pierce's medicines. They say in a recent letter to Dr. Pierce: "We beg to assure you of the great benefit these medicines give our ailing ones. We cannot sufficiently recommend their excellence."

When the druggist says he has something that is as good as Dr. Pierce's Favorite Prescription, just tell him, "There's nothing just as good." He says so because he hopes to make a better profit but his own mixtures have not stood the test of long experience and success that Doctor Pierce's medicines have. Then, too, many patent medicines advertised as tonics, contain large quantities of alcohol. Dr. Pierce guarantees that his "Prescription" does not contain a particle of alcohol.

Dr. Pierce's Common Sense Medical Adviser—sent on receipt of 31 one-cent stamps for a copy in paper; 50 stamps in cloth binding. Address Dr. R. V. Pierce, Buffalo, N. Y.

It is a good thing to keep Dr. Pierce's Pleasant Pellets in the house. One Pellet is a laxative, two a mild cathartic.

International Bible Lesson for Tomorrow.

Jeremiah in the Dungeon—Jer. 38: 1-13.

Golden Text—"Blessed are they which are persecuted for righteousness sake; for theirs is the kingdom of heaven.—Matt 5, 10.

Jerusalem was a doomed city, surrounded by the Army of Babylon, doomed for its departure from the living and true God and its devotion to idolatry. God sends his messenger, Jeremiah to warn them to repent and he will deliver them, but the king of the city, Zedekiah, considered a traitor and worthy of death, but God sends him a deliverer, Ebed Melech. A black man with a white heart, was moved with pity and indignation. He denounces the conduct of the princes to the king, who grants him a guard of thirty men who rescue Jeremiah just in time; but had he died in their hands as thousands have in similar circumstances: "theirs is the kingdom of heaven." Many of God's suffering people need to-day the ministry of restoration, thousands of precious lives are sinking deeper into the mire of sin, perishing for want of a helping hand. A cheering gospel word and grip inspired by the Holy Spirit, urged John B. Gough from the mire and clay, and his feet resting on the rock he helped to get others there. General Booth says to-day with his life-long experience, "I would rather a winner of souls than the Czar of all the Russias, the Emperor of Germany, or the honored King of England on his mighty throne, holding the sceptre over a group of nations." "He that winneth souls is wise," Prov. 11: 30. Wisdom is reverence and obedience to God.

The Pandora Thermometer

The thermometer on the Pandora range oven means precisely in accuracy to the cook what the square and compass mean to the draftsman. Without the square and compass the draftsman would have to work entirely by guess, just as you do without an accurate and reliable thermometer on your oven.

The Pandora thermometer reduces cooking to an exact science. You know precisely how much heat you have and what it will do in a given time. It is one of the small things which makes the Pandora so much different and better than common ranges.
