### THE ACADIAN.

WOLFVILLE, N. S., MAY 8, 1896.

#### Local and Provincial.

Don't miss the Recital this evening in Alameda Hall. A excellent programme will be given.

A quantity of interesting matter intended for this issue has been unavoidably crowded out.

The last meeting of the "Acadian Club" will be held at the home of Mrs. Canfield, Monday evening, May 11th.

The ordination of baptism was administered to four candidates in the Baptist church on Sunday evening last.

The Queen's Birthday falls this year on Sunday. It will be generally observed throughout Canada on the following Monday.

The Annual Meeting of the Board of School Commissioners will be held in the Court House, Kentville, on Tuesday, May 12th, at 10 a. m.

The College League baseball game on Wednesday afternoon last, between the Seniors and Freshmen, resulted in a victory for the latter by a score of 26-19.

Mrs. William Craig, of Cambridge, celebrated her 91st birthday at the home of her son-in-law, John Caldwell, Esq., on the 2nd inst. Mrs. Craig is cousin of the Premier, Sir Charles Tupper, Bart.

Mr. F. P. Rockwell, who has rented the house owned by Dr. Bana, near Church Hill, moved in on Tuesday last. He has also leased the adjoining house, which he will fit up, and conduct as a summer hotel.

Mr. Wm. Reid, of this town, who for a number of years has been engaged in the McLane Hospital, Boston, returned home last week. He has purchased the J. W. Hamilton, farm in Greenwich, and will at once take possession.

Plastering Hairs for sale at the Brookside Tannery, Greenwich.

We are sorry to be called upon this week to record the death of Miss Carrie Caldwell, youngest daughter of Mr. and Mrs. Freeman Caldwell, of this place, which occurred at Elgin, N. B., last week. The remains were brought to Wolfville, on Saturday, and the funeral took place on Sunday and was largely attended. The deceased had been ill for some time, a victim of consumption. We tender our sympathy to the bereaved relatives.

On Wednesday last the ladies of the Caspary Woman's Mission Aid Society met at the meeting held on the 26th inst. of the formation of their society, presented the wife of their pastor, Mrs. Williams, and Mrs. Sandford, the wife of the Baptist missionary to India, each with a very beautiful autograph quilt. The society also contributed a sum of money toward defraying the expenses of Mr. Sandford's voyage to India.

Mr. J. D. Kelly has sold his place in Wolfville to Mr. Forsythe, of Paradise, and has purchased a fine farm at that place, to which he removed this week. Mr. and Mrs. Kelly have made many friends during their residence in Wolfville, and all regret very much their departure from among us. We trust they may return to reside in our town again at no very distant day.

Over 150 different patterns Room Paper to select from, at Wolfville Book Store.

The gasoline launch made her first trip of the season last week. Some improvements have been made during the winter, and she now sails faster and almost noiselessly. On Saturday a thorough test of her power was made when she towed out two vessels, very satisfactorily. Mr. Munro says she is now for the first time in thorough order, and we expect a good season of her during the coming summer.

### BRADLEY'S FERTILIZERS.

THE BEST IN THE MARKET.

Manufactured at North Weymouth, Mass. The largest fertilizer works in the world.

WHAT SOME OF OUR FARMERS SAY OF IT: UPPER DYKE VILLAGE, February 14th, 1896.

Dear Sir,—I used Bradley's potato fertilizer last spring for potatoes without manure with good results. I used it in the drills, about 300 lbs. per acre. The potatoes made a quick start, and got their growth sooner than those where I used manure, and were a better crop. I have used other fertilizers, but Bradley's is far ahead of any I have tested.
