The Boy Scout entertainment on Monday evening was a grand success. The Opera House was filled to the doors and a most interesting program was rendered. Many of the events were very amusing and cleverly carried out.

The annual supper of the Kings County Agricultural Society is to take place this evening at Evangelical Hall, Lower Horton, when a very pleasant time is expected. The speakers of this occasion will be Prof. Cumming and Prof. Blair.

The regular business meeting of the W. C. T. U. will be held at the home of the president, Mrs. L. W. Sierp, this afternoon at 3:30 o'clock. The superintendent of the different departments are particularly requested to be present, or have reports of last three months work.

Rev. W. M. Ryan, B. A., will be the preacher at the Methodist church on Sunday evening next. He will also preach at Greenwell in the afternoon. Rev. J. Armitage will speak at the Missionary Anniversary at Avonport next Sunday afternoon, and at Grand Pre in the evening.

At the Opera House

At the college library last Sunday afternoon two interesting addresses were given by Messrs. B. Tabrooks and L. W. Sierp, students of the College. Both are overseas men, the latter having lost an arm. They are both fluent speakers and the story of their experiences, told in a plain modest manner, was most thrilling and full of interest.

A public temperance meeting was held in the vestry of the Baptist church on Sunday afternoon at 4 o'clock. Rev. Mr. Armitage gave an excellent address, speaking especially on the evil effects of cigarette smoking, and the growing increase of cigarette smoking in our town, especially by young boys under 16 years of age. Miss Marie Wilson sang "If I Were a Voice," and the members of the L. S. L. sang in chorus.

A Women's Union Government Club was formed in Wolfville on Tuesday afternoon with a good membership and much enthusiasm. The officers elected were: President—Mrs. W. M. Black; Vice-President—Mrs. L. C. Moore; Sec. Treas.—Miss C. H. Borden. Rooms have been secured in the McKenna Block and meetings are being held every afternoon and evening. All the women who are interested in the success of the Union Government and winning the war are cordially invited to make use of the rooms. Every patriotic citizen will wish the ladies complete success.

Sunday Evening

Eugene Stackhouse, son of Dr. and Mrs. T. W. Stackhouse, returned home to Wolfville on Wednesday night. He was severely wounded at Vimy Ridge and has been awarded a medal for his devotion to duty. The train steamed in punctual to the station. A very large concourse of Wolfville inhabitants were congregated on the platform to receive their gallant soldier lad back home. The Give Service Girls displayed torchlights and the College led off their rousing yell of welcome again and again. The Rev. Miller spoke a few hearty words in which he congratulated all returned wounded Canadians as bearing a badge of glory for doing their bit on behalf of the Canada, Hampton and Liberty. Three hearty cheers closed the informal reception after which Mayor Hales conveyed the returned soldier to his home, headed by the Scouts.

SOME DELIGHTFUL ENTERTAINMENT IN STORE FOR THE PEOPLE OF WOLFVILLE THIS WINTER

Mr. Mason, who has recently taken over the Opera House, has returned from a visit to St. John, the headquarters for the Motion Picture Company, and he tells us he has arranged with a number of companies to present a program each week that has been the feature at the Imperial Theatre, St. John, for the past year. These pictures are some of the finest photoplay dramas ever screened. On Monday and Tuesday of each week the program will consist of tri-act plays with some of the leading stars of the industry, including a two-act comedy, Wednesday and Thursday of each week the program will be a 5 or 6 part vitagraph feature and a comedy. For the present Friday and Saturday the program will be the same as usual—the popular serial story Patric.

On Monday and Tuesday, Dec. 11, the special feature is 8 parts—The Tale of Two Cities, by Charles Dickens.

William Farmer, who portrays the double role of Sidney Carton and Charles Darnay, is worthy of special mention. The feature as a whole carries out splendidly the work of the great English novelist.

Other special features will be screened at the Opera House this winter. It is a great pleasure to be afforded the opportunity of such entertainment as Mr. Mason predicts is coming for the people of Wolfville.

The People's Forum.

To the Editor of THE ACADIAN:

DEAR SIR,—In your last week's edition you published a letter asking people's opinion of a man who would ridicule the idea of sending more men to France. The boys over in Flanders today would certainly think very highly of the citizens of their home town if they knew that this was the way they were remembered. I have a feeling that if such a statement was made to the fellows on their way back from the front line for a few days rest—after having put in a week or so in the wet, freezing mud with very little to eat, always wet, dirty and tired, and with death always at hand and their comrades falling all around—then there would be one more little white cross in their hearts than there is now. It is doubtful if they would even bother with a cross.

I should think that a very appropriate cure for such thoughts as that would be to place this individual in a hole, waist deep in mud and water, down on the dykes, and have a machine gun sweeping over the top at intervals just as a reminder, to crouch down. Probably after a few of these cold days and nights of such treatment his morals might improve. I wonder how many of the people of this town stop to realize that the boys out there are living under such conditions as that, and a great deal worse, continuously.

This person who thinks conscription so ridiculous is evidently made of the same material as the man who tried to persuade some of our young fellows that if they voted Union they could be sure of having their heads shot off at the earliest convenience in France. But if they voted against Union the war would be called off and the boys come home. I hope no one is going to be foolish enough to run away with that idea. The boys out there are made of different stuff than the scoundrels hanging around here. They are out there to fight this thing out to a finish, and not until it is finished need we expect them back. The surest quickest way of getting them home is by sending more men to help them complete what they have undertaken.

It is going to be interesting when the 21st day arrives and the boys come back, to see who will be at the station to welcome them and who will be slipping around the corners, ashamed to show their faces.

NO ALCOHOL IN GIN PILLS

Many have wondered how the famous old household remedy, Gin Pills, derived its name, since obviously there could be no spirits contained in pill form. The origin of Gin Pills can be traced to Gin, which has for a great many years been recognized for its medicinal qualities, particularly its beneficial effects on kidney complaints.

But in the first place there are many who have conscientious objections to taking alcohol, even as a medicine. Secondly, the curative agent of Gin operates in spite of the alcohol, not because the alcohol is a help to the cure. Investigations were made to determine just what it was in Gin that tended to relieve Rheumatism, Lumbago, Sciatica, Backache, Swollen Joints, Constant Headaches and all disorders arising from the kidneys, bladder and urinary system. This active agent, separated from the alcohol, was then combined with other ingredients and given the name of Gin Pills, for which a demand has grown greater than for any other medicine in Canada. Gin Pills have a wonderful record of success and anyone applying to the manufacturers can obtain copies of many of the testimonials received.

Gin Pills are sold by all dealers everywhere on a strict guarantee of satisfaction or your money back. They are 50c a box or 6 boxes for \$2.50. A free sample can be obtained by writing to the National Drug & Chemical Co. of Canada Limited, Toronto, or to the U. S. address, No. 120 Co. Inc., 202 Main St., Buffalo, N. Y.

Get Behind the Wheel of a Ford and Drive

TRY it just once! Ask your friend to let you "pilot" his car on an open stretch. You'll like it, and will be surprised how easily the Ford is handled and driven.

If you have never felt the thrill of driving your own car, there is something good in store for you. It is vastly different from just riding—being a passenger. And especially so if you drive a Ford.

Young boys, girls, women and even grandfathers—thousands of them—are driving Ford cars and enjoying it. A Ford starts and starts in traffic with exceptional ease and smoothness, while on country roads and hills its strength and power show to advantage.

Buy a Ford and you'll want to be behind "the wheel" constantly.
