THE LONDON OUTRAGES.

The whole civilized world has been. the Houses of Parliament happened under singular circumstances. A ance. An element in our favor, and the buildings, called the attention of a policeman to a package lying upon saries of life. The price of a barrel the steps outside the crypt. He of flour a few days ago was more than two dollars below the picked up the package and carried than two dollars it into Westminster Hall, when the package exploded, knocking the Other articles of daily consumption policeman down and injuring him show an equally marked decrease in severely. Several other persons price. were prostrated by the shock, the In reference to the rapid developgreat window over the entrance was ment of our export trade to the smashed to atoms, and all the side Upper Province, Mr. Fairweather windows were blown out. The second explosiob took place in the Strangers' Gallery. The seat in the House of Commons which Mr. Gladstone occupied was badly broken, and a chip was torn off the top of the Speaker's Chair. The seats in the Peers' gallery were overturned and broken, and all that part of the building was dismantled. Official estimates place the damage done by the three explosions at \$70,000. Several arrests have been made, but it is doubtful whether the right parties have been secured. The windows were blown out. The asks: second explosion took place in the Are parties have been secured. The most intense excitement prevails throughout the country. The better class of Trishmen and Trish near the ne class of Irishmen and Irish newspapers denounce the outrage in the
strongest tegms. An immediate
effect of the explosions is the dis
charge of large numbers of workmen
of Irish birth. The dynamite flends
threaten to blow up the general post
office, and extra precautions have
been taken for the protection of that
building. In some respects the
panic is increasing and many Englishmen are urging retaliatory measures. Whatever clase may be the
result, the Irish cause is certain to
be injured by the unhuman outrages
of the dynamiters.

—Harper's Magazine, which gave some
effect of, the explosions is the dis
charge of large numbers of workmen
of Irish birth. The dynamite flends
imported thence.

The Secretary read a letter from
Mr. Emmerson, agent of the Morchants Bank, notifying council that
as the bank directors were of
opinion that the Council had no
power legally to borrow money, as
had been the custom, they declined
making loans, unless some collateral
ment of our exports, Mr. Fairweather adds:

It thus appears we export from N. B.
and N. S. to the provinces of Quebec, Ona rein and Manitoba to the value, annually,
of \$41,271,382. I have looked with some
accounty was given.

A round of speeches took place,
list is appears we export from N. B.
and the victors were of
opinion that the Council had no
power legally to borrow money, as
had been the custom, they declined
making loans, unless some collateral
ment of our exports.

A round of speeches took place,
list thus appears we export from N. B.
and N. S. to the provinces of Quebec, Ona rein to the items and find that six years
age our exports were not one-stierra
of the dynamiters.
