or a Letter from Mr. Thomas Weston, (Book Store,) Toronto, dated the 9th October, 1854. To Professor Holloway, Sir,—Gratituda compels me to make known to you the extraordinary benefit an aged parent has derived from the use of your Pills. My mother was afflicted for upwards of four and twenty years with asthma and spitting of blood; it was quite agony to see her suffer and hear her cough; I have often declared, that I would give all I possessed to have her cured ; but although I paid a large sum for medicine and advice, it was all to no purpose. About three months ago, I thought perhaps your Pills might benefit her ; at all vents I resolved to give them a trial, which I did the result was mavellous: by slow degrees, my mother became better, and after persevering with your remedies for nime weeks, she was perfectly trored, and now enjoys the best of health, although seventy-five years old. I remain, Sir, Your obliged, (Signed) THOMAS WESTON. BEMARKABLE CURE OF DEOFSY.

I of min maint is suffered the greatest torture with this distressing com-plaint; was tapped three times, and finally given up by the doctors; having become in appearance as a skeleton, and with no more strength in me than as child just born. It was then, that I thought of trying your Pills, and immediately sent for a quantity, and commenced using them. The result I can scarcely credit even now, although true it is. After using them for four weeks, I felt much better, and by persevering with them, at the expiration of two months, I was completely cared. I have since en-joyed the best of health.
