EXCELLENT SUITS

I am placing some excellent bargains in many depart ments this month-loose ends and overstocked lines.

Men's Summer Suits are now where attention is centred. They're selling while they last at one-third off, or just the same as if you paid me \$10 for a suit and I would hand you back 33 1-3 cents for every dollar given me. It should be worth saving-should it not?

> The suits are splendid and were all the rage this season, being worn by the most particulas. Materials are light and dark grey Tweeds, single and double breasted, twopiece. Price \$8.25 to \$14 50.

BOY'S SUITS---PRICE CUT.

They're's some broken lines - some without a full range of sizes. They will not last long. Get your choice before they are gone. Our customers say there's a saving on every boy's suit sold here. You are the judge. But it's quality we are aiming at-a suit is worth nothing if it's not worth wearing. Our bay's suita are, we think, the best value for the money in this city. See for yourself.
