Mr. Rolph said it was not usual to ask

On motion of Mr. Badgley, an address was voted for all documents in relation to A message was received from the Leg-

telative Council agreeing to the bill endited "An act to amend the Chapter of the City of Toronto water Works and Water Co., with amendments:
Hon. Mr. MacDonald introduced a bill

to simplify the proceedings in the Courts of Quee 's Bench and Courts of Common

Pleas in Upper Canada.

A bill to explain "An Act to provide a remedy against absent defendants;" and also a bill to incorporate the Cataraqui and Peterborough Railroad Co.

Hon Mr. McDonald was added to the Bryce, McMurrich & Co. and others of

Mr. Dubord moved an address, assuring Her Msjesty that inconvenience, &, was occasioned to the trade of this Province and to the shiping interest in general, from the expenses attending the proceedings in the Court of Vice Admirality at Quebec, and from the fact that there is no authority the Province smoograph in modify. in the Province empowered to modify the same, and praying that Her Majesty will be pleased to adopt such measures as may be necessary for empowering the Government or such other authority as Her Majesty

or such other authority as the in-state of the taken in said Court of Vice Admirality, and to make tariff of such reduced fees Mr. Christie of usspe moved in amend ment that a Committee of seven members be appointed to enquire whether any and what fees are paid to the Proctors or Barristers practising in the Court of Vice Admiraity in the Province, on cases instituted in and disposed of by the said Court; the tariff or table of such less, and the suthority in virtue of which they are estab-lished and exacted from suiters in said Court, which was agreed to unanimous-

suming the adjourned debate on the ques-tion which was on Monday last propose, being again proposed, the House resumed the said adjourned debate. On motion of Hon. Mr. Cameron, the debate was further adjourned till this day

Weck.
The bill to incorporate the Bytown and Pembroke Railway Company was read a second time and referred to the standing committee on Railways.

The flouse then adjourned till Tuesday.

QUEBEC, March 28. The Toronto election committee have agreed to report against Mr. Boulton, conering that the property in Montreal, on which he qualified was not worth £500 sterling free from incumberance.

QUEBEC, March 29. Mr. Brown moved the reception of the petition of a woman from the Parish of Malbaie, complaining that the Cure of the

parish had refused to bury her husband, and

woman had a right to be heard.

The St. Lawrence and Lake Huron Reilroad bill was read a third time and

Toronto election petition was read in the House to the same effect as telegraphed

ther consideration of Mr. Drummonds mo-tion, that the bill to define the rights of the to facilitate the redemption thereof. Bill report leaves.

QUEBEC, March 30. the Charter of Toronto Gass and Water Works Company were agreed to. The bill to incorporate the Bytown and

Ottawa Railroad Company was considered in Committee.

Bill continued to adjournment. No vote ment would was taken. Messrs. Cartier, Sicotte, Le-attention.

States, which are not enumerated in the general order of 1st June, 1847, be read

at request of Government, and upon under-standing that Government would take the matter into consideration.

A call of the Legislative Council for consideration of the Representation Bill is or-dered for 4th May, and it is said the pro-

rogation of the House will take place about the 45th May.

Note.—Certain complaints having been made against the Parliamentary reporters of the Telegraph for transmitting over the wires a juke of the Quebec Chronicle relative to the Ministry, they deem it pro-per to state that they did not send the joke.

QUEBEC, March 31. Last night, after the report left, Mr. Morin presented return to an addition or information relative to the Trois Pistoles Asylum, Toronto.
On motion of Mr. Merritt, an address

ween Prescott and Montreal. Also, another for a statement of monies received from the sales of all Public lands since the 20th May, 1849, under the provisions of the Act to raise an income mon School education. the British Government, but Mr. Crampton was still of opinion that a satisfactory arrangement could yet be made, and recommended that no step be taken in the contemplated direction. Under those changed circumstances, the Government did not propose to adhere to the policy announced in the fall, but at the same time had not changed their views as to what would be necessary if the American Government should decline to come to terms. The resolutions of Mr. Hincks make over to the local municipalities in Upper-Canadaicense duties on the selling liquors, hawking and peddling, billiard tables, auctioneers, and goods sold at auction, and excise eers, and goods sold at auction, and excis eers, and goods sold at auction, and excise duties generally, except only those imposed on distilleries and liquors distilled in them. The other resolutions declare that it is expedient to reduce the specific duties of custom on the following articles:—On refined sugar in loaves or crushed, or candied, from 14 the cwt. to 10s. the cwt. On bas tard sugar and sugar of other kinds, from 9s. a cwt. to 6s. a cwt. On molasses from 3s the cwt. to 2d, the gallon—and to reseat the specified data. and Miramichi Railroad. Also, return to repeal the specific duty one penny the bushel now imposed on salt; that it is expedient to make the duty on wine uniform and that such uniform duty be 6d. the gallon, and 30 per cent ad valorum.—that it On motion of Mr. Merritt, an address was voted for a copy of Contract entered into for furnishing Tug Boats between Prescott and Montreal. Also, for the surveys when obtained, of the channel between the contract of the channel between the channel between the contract of the channel between the cha in scraps, bars, pigs or sheets, bright and

black varnisher, pine oil marinecement, pitch, tar, rosin, chain cables, tree nails, bunting, felt, sheeting and oakum That it is expedient that seeds of all kind the Act to raise an income of £100,000 be admitted free of duty in all cases—the out of the public lands of Canada for Com-

blishment and support of Common Schools and District Libraries.

Sir Allan MacNab introduced a bill to Sir A

THE CLERGY RESERVES BILL AND

The majority of 83 fortunately disposes of the controversy on the Clergy Reserves Bill, so far as the House of Commons to concerned. There is no reason why the Committee on the measure should not bring

The decision of the questions now rests with the House of Lords; and there is good ground for confidence in the determination of that Assembly to disregard the appeals which have been so loudly made to the Charles of justice and to the prejudices of its members, and to look ex the public good. Whatever doubt could the public good. The constituted for scissors to perform the public good. The constituted for scissors to perform the public good. The constituted for scissors to perform the public good. The constituted for scissors to perform the public good. The constituted for scissors to perform the public good to the public good. The constituted for scissors to perform the public good to the public good to the public good. The constituted for scissors to perform the public good to t The decision of the questions now rests Mr. La Terriere denied the allegation in the petition, and moved an ammendment that it be not read.

Mr. Brown said, he did not pretend to judge of the correctness of the allegations in the petition, but he thought to reject it was wrong, and involved the question of the right of petition. He house would allow the petition, whose election has been declared the following Bills were read a third. The woman had a right to be heard.

Mr. Brown introduved a Bill to authorise of its members, and to look excluded the perition of the Surveyor. He thought to design the petition was proposed to the public good. Whatever doubt could have existed as to the final settlement of the public good. Whatever doubt could have existed as to the final settlement of the public good. Whatever doubt could have existed as to the final settlement of the public good. Whatever doubt could have existed to use the wharf to be substituted for scissors to perform the operation. The row that succeeded pass is signed by a Justice of the Peace who stated the Mr. Speaker do issue his warrant for a new writ for the election of one member; the thought to reject it was wrong, and involved the question of the right of petition. He hought to reject it to the military had to be called out. It is made in the mode of cutting off the jugged ends of cigars, after they had been of the seed that the bopot of the signed by a sustice of the Peace who stated the Mr. Speaker do issue his warrant for the city of Toronto, in the room of W. Lord Dorby nor the Bishop of Exeter can the following believe that it is possible for the right of petition. He hought to reject it to the military had to be called out. It is eather the military had to be called out. It is eather the military had to be called out. It is more than the following believe that it is possible for the city of Toronto, in the room of W. Lord Dorby nor the Bishop of Exeter can the first the military had to be called out. It is more than the follows the petition to the fact that the only winders and into The woman had a right to be heard.

Mr. Caschon said, the motion for reference would be the proper time to speak on its merits.

Dr. Fortier said the woman was issane, and alegations false. He censured Mr Brown for resorting to such modes of attack on the Roman Catholic Clergy.

After some conversation, Dr. LaTerrier withdrew his opposition to the reception of the petition.

Mr. Stevenson introduced a bill to extend the eact for the formation of Joint Stock Companies in Upper Canada, to the contended that the only way of doing state the efforts of the Committee of the whole on the Ottawa and Grand Trunk Railroad Bill.

The following Bills were read a turd to be beared.

The following Bills were read a turd and proven which the Colony considers an in tolorable grievance, while it is deliberately and power, which the Colony considers an in tolorable grievance, while it is deliberately and power, which the Colony considers an in tolorable grievance, while it is deliberately and power, which the Colony considers an in tolorable grievance, while it is deliberately and power, which the Colony considers an in tolorable grievance, while it is deliberately and power, which the Colony considers an in tolorable grievance, while it is deliberately and power.

And the United States, and asked if the Un tolerable grievance, while it is deliberately of the United States, and asked if the copyholds, extend over a number of years. uphold.
