## Man Stabbed.

Last night Patrick Shortall, of Job's Street, West End, was stabbed by a man so far unknown. The police are now making a strict investigation and are finding their work no easy job, as Shortall refuses to give any information. All that can be learned is that after tea he left his home and shortly after seven o'clock he turned up at the house of a friend, J. Pierce, Hamilton Street, and told him that he had been stabbed. His clothing just below the waist was seen to be saturated with blood and a wound was visible through the torn clothing just above the groin. Mr. Pierce, realizing the seriousness of the affair, conducted Shortall back to his home on Job Street and then went with the father to the West End Fire Hall and reported to Capt. Kean, who at once phoned I. G. Sullivan and Dr. Fraser, both of whom arrived at Job's Street within 20 minutes. Dr. Fraser's examination showed that a wound about

four inches long had been made over the left groin. Fortunately it was not deep and the doctor believes he will be all right in a few days. The doctor quickly stanching the blood and sewed up the wound. Shortall was then ordered to go to bed. To the questioning of the Inspector General he was either unable or unwilling to give any answers. It was rumored that he had visited a Norwegian whaler in the evening and that an altercation had taken place there.

## Woman Beaten

At 3.30 p.m. yesterday officers Hummer and another were called to a residence off McFarlane Street where a man had beaten his wife severely and engaged in such pastimes as overturning the stove and throwing about the furniture. The officers would have arrested the man but the woman would not permit them.

## HYMENAL.

McDONALD-LAWLOR.

The R. C. Church, Portugal Cove, was the scene of a very pretty wedding on the evening of Nov. 30th, the contracting parties being Miss Katie McDonald and Mr. John Lawlor. The ceremony was performed by the Rev. Fr. Gough, the friends and relatives of the bride and groom being present. The bride looked charming in a dress of cream shantung with hat and veil to match, and was attended by her sister Miss Theresa McDonald, who was becomingly attired in cream tulle. The bridegroom was attended by his brother, Mr. Richard Lawlor. After the ceremony the happy couple returned to the residence of the bride's parents, Major's Path, amidst volleys of musketry, where a sumptuous supper was partaken of, after which dancing was kept up till the wee sma' hours of the morning. The presents received were numerous and costly, testifying to the esteem

in which the couple are held. The Evening Telegram joins in wishing them many years of happiness on their voyage o'er the sea of matrimony.

## McMurdo's Store News.

TUESDAY, Dec. 5, 1911.  
In the window of our Water Street store this week will be found a display of fine Olive Oil, bottled. This is the natural unbleached oil of the olive, and shows the rich yellowish green which is its characteristic. Bleaching of course, when skillfully done, does not injure the oil, but it increases its cost to the consumer. That is why we are able to offer you a sixteen ounce bottle of the finest quality of Olive Oil for fifty cents. If you use Olive Oil this is an opportunity. If you are not yet a user, now is the time to begin.

At the Military Road Branch: Meigs and Lowneys Chocolates, 10c., 30c. and 60c. a tin. Call in on your way home this evening and buy some.

## Curlers' Annual Meeting.

The annual meeting of the St. John's Curlers' Association was held in the Club Rooms last night with a large attendance of members who this year are evincing much interest in the "roarin' game." Mr. C. R. Duder presided, and the annual report and financial statement read by Sec.-Treas. Salter were of a very satisfactory order. A large amount of correspondence was dealt with. Messrs. F. & A. Kay, stone makers, of Scotland, donated a very handsome premium for competition amongst the members. It takes the shape of a silver curling stone bearing a handsomely inscribed plate, and it was presented to the President by the Secretary, and the thanks of the Association will be tendered the generous donors. The Captains for the approaching season will be C. R. Duder (Reds), P. W. Hayward (white), Harvey Jardine (blue), W. F. Joyce (green). Mr. F. C. Berneau for the retiring captains thanked the members for having made the past season so pleasant, and the members of his own division for their support and co-operation. A vote of thanks to Mr. H. D. Reid was passed by acclamation for his having upholstered and fitted up the new reception room built during the summer. It is beautifully furnished and shows the deep interest Mr. Reid takes in the workings of the Association. In the election of officers Mr. J. R. Bennett was unanimously elected President, Messrs. F. C. Berneau and H. W. LeMessurier were appointed Vice-Presidents; Mr. A. H. Salter was re-elected Sec.-Treas. by acclamation. The Committee of Management appointed were: Messrs. J. Jackson, T. M. Winter and F. H. Steer with the four division captains. Mr. Winter made a popular proposition which was carried, that Mr. Duder, the retiring President, be made an Honorary President. Mr. Duder was presented by the Association with a handsome enlarged photograph of 12 of the old curlers, members of the Arctic and Avalon Clubs, and this picture will be hung in the rooms of the Association. As several matters before the meeting were not finalized the convention was adjourned at 11.15 to a date to be determined later.

## Lost Overboard

Messrs. Jas. Baird, Ltd., were notified yesterday by Capt. Keeping of the schr. Dorothy Baird, which vessel arrived at Pergamhue Saturday, that one of the seamen, Ebenezer Pike, of Carbonear, had been washed overboard and drowned on the run south. On receipt of the telegram the firm wired to Rev. J. Pincock, Carbonear, asking him to convey the sad news to the unfortunate man's parents. Mr. and Mrs. Fred. Pike, of the Bench, Carbonear, Pike, who was only 25 years old, was a fine young man and was well and favorably known, not alone in his native place but also in St. John's.

## OBITUARY.

### DEATH OF MR. JOHN MULLALLY.

Last evening Councillor Mullally received a cablegram from Halifax apprising him of the sudden death of his uncle, Mr. John Mullally, at that city. Deceased, who was in his 75th year, came to St. John's, Nfld., from Ireland in the early fifties and a few years afterwards left for Halifax, where he resided for over 40 years. In the early days of the Allan steamers deceased had a good position as stowaway and saved considerable money, which he invested in real estate in Halifax and became quite a wealthy citizen of that town, where he was highly respected by all who knew him. He retired from active business 18 years ago. Deceased leaves one son and four daughters to mourn their loss. Two of the latter are in Halifax and two in the United States.

### Will Make Hair Grow

Every up-to-date woman should have radiant hair. There are thousands of women with harsh, faded, characterless hair, who do not try to improve it.

In England and Paris women take pride in having beautiful hair. Every Canadian woman can have lustrous and luxuriant hair by using SALVIA, the Great American Sage Hair Tonic. McMurdo & Co. sells a large bottle for 50 cents, and guarantees it to banish Dandruff, stop falling hair and itching scalp in ten days, or money back.

## Marriage After Death

Remarkable Ceremony Performed in a Japanese Village.

The marriage is reported of two dead lovers from the Japanese village of Shizuoka. A young couple fell in love, and sought their parents' sanction to their union. For some reason this was withheld in the case of the girl, and the broken-hearted couple resolved to commit shinju rather than be separated. The two embarked on a fishing boat, and when some distance from the shore bound themselves together with cloth brought with them for the purpose, and threw themselves into the sea.

The following morning the couple were missed from their homes, and the matter was communicated to the
