# FERRO

Kerosene Engines can be purchased on easy terms which will give a man two years to pay  
for his Engine, and if fish are plentiful a Ferro Engine will more than pay for itself.

### FATHER TIME A SEVERE BUT HONEST JUDGE.

For seven years the Ferro Engine has held the leading place among the Engines used in the  
Newfoundland fishery. Other Engines have been introduced and have been claimed to be the  
"ONLY". But Father Time has been their Judge and they fell by the wayside. Hundreds of satis-  
fied users all over Newfoundland declare the Ferro to be the best Engine on the market to-day.  
Such an enviable and widespread reputation can only be based upon one thing—Actual Merit.

### Ferro Users are Ferro Boosters.

The following are a few among the many unsolicited testimonials we are continually receiv-  
ing from users:—  
(Copy)

Cape Island, Bonavista Bay, December 15, 1914.

**THE L. M. TRASK CO.**  
Dear Sirs,—I saw by Advocate where you  
stated you would wish to hear from every user  
of a FERRO engine, and receive the number of  
same, and you would send a spark plug of your  
new make, or your own make, so I thought I  
would let you know the number. The number is  
43263; it is a 7 1/2 H.P., and to just give you the  
truth about the engine, it is the best one made.  
We used it last summer in a large motor boat,  
a deck boat about 7 1/2 ft. wide, and about 3 1/2 ft.  
deep, and towed a trap skiff that would bring  
about 15 or 20 barrels round fish after her, and  
did good work fast enough, too good for the 9  
H.P. F.—; and this year we have the engine in  
a new trap skiff about 30 ft. long, 6 ft. 10 inches  
wide, 33 inches deep, and cares for nothing here;  
and there is lots of engines here of different  
quality.

The 9 H.P. A— is here in a boat about the  
same size and they cannot do it, and for some  
time the A— F— and all is here have plenty of  
trouble, and we have not had one hour's trouble  
since we had the FERRO engine. I say it is the  
best here.  
Wishing you every success, I am,  
Yours sincerely,  
(Signed) MOSES BURTON.

Fishermen intending to purchase Engines should write for descriptive literature on our Kero-  
sene Oil Engines and get prices on four payment terms.
