Rids Poisons From the Blood, Clears Up the Complexion

Sallow Skin, Pimples, Pains and Aches Are Soon Gone When Dr. Chase's Kidney-Liver Pills Are Used.

Kidney-Liver Pills Are Used.

The doctor feels your pulse and looks at your tongue, but at the same time he is reading your condition in your face. The sallow complexion tells him that your liver is not doing its work, the pimples tell him that the kidneys are not properly purifying the blood, he realizes that the bowels are constipated and the system overloaded with poisons.

You can apply this test in your own case and may be able to add other symptoms, such as headaches, pains and aches through back and limbs, spells of billousness and indigestion.

If you have not used Dr. Chase's Kidney-Liver Pills you will be surprised to find how quickly they will rid your system of poisonous impurities and thereby remove the cause of pains, aches and skin troubles.

Mrs. F. N. Hall, 102 Queen street, St. John, N.B., writes: "I am glad to say I have used Dr. Chase's Kidney-Liver Pills with splendid results. I was greatly troubled with constipation and pimples on the face.
