The Consecration.

Far reaching in their ef-

fect upon the Church of England in Newfoundmonies will leave an indelible 'impress. No persons privileged to witness or take part in them, could fail to be other than profoundly moved with their solemnity and meaning. It was a day of great spiritual purpose, and one of which future fathers will tell their children and children's childmeaning to them will be as a rallying call to the standard of the Church arouse in them, greater desires to M.A., conducted the services at serve him, who by election and Con-graveside. secration has been given the guidance and direction of their spiritual af- Breach of Fishery fairs. the will of the Lord Jesus. It is His Body. It is a living organism of which stles. the Anostles were Ministers of the Lord Himself, and that Commission and Ministry they have transmitted. And he who receives it today, receives it through the Apostolic upon line from the Lord Jesus Christ. In no period of the history of Christianity, in no age of the Church of Christ, was that sacred commission fraught with more grave responsibility or more splendid opportunities than at the present day. These critical and

crucial times are testing its all in a yes hundred different ways, testing our faith, our courage and powers of en- Rev durance, testing our patricesm, test- first ing our capacity for service and sacri- four fice. (And here in passing permit me Briz to pay my tribute of profound admiration to the patriotism and noble self- pres sacrifice of the men of Newfound- m land who have played such an heroic "Ye part and won for themselves and their 5th country such undying fame in the vers war.) It is not individuals only that Be are being tested at this crucial time: usus Nations, governments, institutions, atte nay, the very Church of Christ itself, are being tried. If, out of this awful mad welter of slaughter, out of this confusion and strife, right ways of think- duc ing and acting, righteousness and of truth are to prevavil, if the world is take to be better, if the Kingdom of God is Mo to come upon the earth, which, after 10 all the sacrifices that have been offered, we most earnestly hope and pray will be the result, the leaders in tak Church and State must be strong men GE and true, men of vision, men of faith, the men of fearless readiness to proclaim the right and the true way, men RE of zeal and ability to lead men in the ob true and right way, courageous enough to break out of old ruts and to discard the rags of threadbare customs, which have proved ineffectual, men couraseous enough to stand firm, against all opposition, for principles which not change and must be maintaind, men big enough to think little of

the dignity of office, and much of its th lities, men great enough nu to be willing to serve, unselfish mough to be ready to give themselves for the good of others, ready to lose

their lives that they may find them in service, men who love and fear God, O eady to stand on God's side four

uare to every wind of opposition, ady to strive their utmost, at whater cost, to help forward His Kir n on earth for that alone; logs. e to God, loyal obedience
