STEWART'S
Home Made Bread,
 THE BREAD MY DADDY LIKES.
 Daddy is evidently not one of those back
 lords of creation who believes that woman's place is
 in the home—and only there. His taste in a wife is
 an up-to-date woman who will prove herself a real
 companion. He knows that if she is a slave to her
 kitchen she can't enjoy the poise or have the interest
 in world affairs that a little extra leisure would make
 possible; and so he is pleased to eat MRS. STEWART'S
 HOME MADE BREAD—the loaf with the home made
 flavor.
 The smiling, well-nourished kiddie doesn't look as
 though suffering because mother is progressive enough
 to buy good bread made by a bread specialist, instead
 of wearing out her life in the kitchen.
