"I remember when I was in London at the Diamond Jubilee in '97 there were about a million people looking on at the illuminations and wandering about London's streets. There was no crushing If there had been there would have been thousands killed. One man standing near me-I am sure he must have been a colonial because no person of even addresses me that way at times." good birth or breeding would have done such a thing—started to push past people, but he was soon stopped."

It would be disloyal to deny the statement that no person of birth or avails himself. Books he has long good breeding could be a colonial.

A Missing \$10,000 Bill.

[Minneapolis Tribune.] Nearly fifteen years ago a man entered the First National Bank of Denver and walked into the office of David H. Moffat, the president of the bank. He had a bottle in his hand that he said contained nitro-glycerine, and threatened to blow up the bank unless was given a large sum of money. Mr. Moffat sent for the money, and among the bills was one of \$10,000 deis published. The war is Alexieff's business, not mine." When three Ministers implored the Czar to evacuate Manchuria and safeguard money was ever found.

Such is the portrait of a man chosen by destiny for greater burdens than [W. D. Nesbitt, in Chicago Tribune.] nature had fitted him to bear. When we realize the mighty power for good or evil which the Czar of all the Russias wields and in what degree the moral and material condition of millions of his subjects may be affected
