SLOW GAME FROM SARNIA TEAMLocals Had It Too Easy

7 TO 1 FINISH 11 TO 3Goldie Producers Put One Over

Penalties.

London finished the round with Sarnia by winning a slow night's game, the contest being only fair.

It was too easy for the locals, and at times the visitors appeared to lose heart, their only trouble being to put in the time. The rink was well filled at the start, but many fans left before the finish, as there was absolutely no chance for the visitors to win at any period.

The match was made up of one in through Eddie Wetherill did little penalizing, finishing in the second half being the chief offence.

The locals resorted to little combination, although the crowd called repeatedly for better work and for play the sake.

The score at half time stood 7 to 1.

The first goal was recorded after seven minutes of play, on turning the trick by taking the puck out of a mixup, a short change from the nets.

Cameron of Sarnia, scored up two minutes later, but before that his team was out of play.

Long shots were the order, and resulted in the scoring of several goals. Cameron's pulling off the first from mid ice in the first half. Casselman followed on a pass from Jimmy Orr, making the tally 4 to 1.

Bernhardt netted the next two, the first on a sixty-foot shot from the side.

Mullen intercepted a pass in front of Sarnia's goal and brought it up to 7 to 1 before the going.

Both teams improved in the second half, and as the locals did not appear to be looking for any serious competition, Sarnia was able to win one in through a line of Londoners shortly after the mid ice mark.

Mullen was responsible for the next, and as it struck him on the head, he was sent to the hospital, and the crowd did not appear to realize what had happened until some of the wisest spectators commenced to count.

Jimmy Orr was put off for tripping, and a minute later Mullen bagged another.

Goldie a Humorous.

Goldie producers put a nice one over on Sarnia, and the match was taken down the ice to the London goal at a great rate, which Sarnia skated up behind him and shouted "Come on." Le Seul passed it over and on instant later, a goal was scored.

McLellan made it three for Sarnia with a minute to play.

CHARLEY MURPHY CHANGES HIS
MIND ON LONGER SCHEDULE

Is Now Willing to Vote for the Old Time Season—So You May
Dope It Out That When Chubby Charles Turns Over
There Is a Chance That Phillies Will Follow.

There's now no way, apparently, to
keep Charlie Murphy out of prize, be-
cause he has changed his mind. He is
back to Chicago from New Orleans,
in order to have time to go through his
mail before setting out for the New York
meeting, the Cubs' president yesterday
announced.

Murphy told the reporters that he
had decided to make no fight for the
game of dates, and that he would
not only vote with the majority, but
would welcome the old distance if the
settlement of the old league managers
seems to favor a 15-games arrangement.

How About Phillies.

This is not only interesting, but signifi-
cant, if Murphy doesn't change his mind
between now and Monday. There is little
doubt that the Phillies' vote will swing
with his. One may make several guesses
as to the cause of the Murphy switch.
It may be simply that he has thought
things over, and has noted a strong con-
sensus in the baseball press against the
proposed extension of the season. Or
it may be that the King petition, which
has been presented since the meeting at
the State and Capitol, has made a mat-
ter of instruction, has something to do
with it. President Johnson, of the
American League, has been very strong-
ly opposed to the proposed change, and
has been one of the King petitioners.

Tom Noyes seems to have the owners
of the Washington ball park where he
wants them. His lease on the present
park expires this year, but Noyes is
said to hold options on two other fine lo-
cations. Unless the present owners will
sell the ground, the new owners of the
Noyes contemplate building a modern
plant like Shibe Park or Forbes Field.

Thomas Leach, world's champion cen-
tre fielder, has the honor of being the first
man to sign one of the new contracts
that prohibit a player from participat-
ing in other sports outside of the regular
season.

There has been much said and printed
about "Babe" Adams having signed a
two years' contract at \$2,500 a year. "The
Babe" has done nothing of the sort. He

has signed for one year—and not at \$2,500.

Theodore Breitenstein, the former St.
Louis and Cincinnati pitcher, who has
been playing in the Southern League
since 1907, will return to the old team
as an umpire. He has been promised a
position on President Kavanagh's staff.
Jack Chesbro has been at Galt for a

year he was a great favorite with the
fans, but a provisional agreement, but
he failed to show a return to old form.

LEAGUE WILL FIRE IRVING.

Brantford, Feb. 11.—Brantford will not

can be but one sequel to his action, and
that is the league managers will have
to get together and bar Irving from the
league.

Kid McCoy's brother, H. H. Selby,

Oro Lambert, was given the fourth event.
With the exception of the fourth event,
which brought together Boger Ed and
Royal Onyx, the sport was dull.

CINCINNATI IS AFTER

It Looked Like St. Louis or Buffalo for

Has Butted In.

[Special to The Advertiser.]

Detroit, Feb. 11.—There is evi-
