

HANDLER BREAKS TO NEW LOW MARK

Atlantic Refining and Other
Issues Yield Readily on
Realizing Sales.

Associated Press Despatch.
New York, Nov. 6.—Buying power
had been under way for about
an hour and this, together with the
marking up of the renewal rate about
money to 3 per cent, brought about
active selling for both accounts.
Early gains, which ran from 1 to 3
cents, were materially reduced or
cancelled, with weakness developing in
some of the chemical, sugar and motor
issues. Chandler Motors broke to a
new low for the year at 29 1/2 and Dupont
old 3 1/2 points from last night's
close. Colorado Fuel, American Ice and
Atlantic Refining also yielded readily
on realizing sales.
Ralls continued to offer stubborn
resistance to selling pressure, indicating
that they were in a better technical
market position than the Industrials.
