Mr. Green presented a petition from A. St. G. Hammersley, relating to the petition already dealt with, as to the pribill of the South Kootenay Railway
It was asked that the petition for vate bill of the South Kootenay Railway back to the com-at Mr. Hammersly e member from the mittee in order that Mr. Hammersly might be heard. The member from the locan moved that the new petition be bring into force.

nembers of the private bills committee bjecting to the proposition. It was finally decided to receive but proceed no further with the petition.

RETURNS PRESENTED.

read a first time and set for second read ing on Thursday.

MR, SIBBALD'S DISMISSAL. Mr. Eberts moved, seconded by Mr. A. . Smith, for a return of all correspon dence between the government or any member thereof and John D. Sibbald, commissioner, Revelstoke, touchng the latter's dismissal, and a resolu tion passed by the citizens of Revelstoke (in mass meeting) on the 7th instant, protesting against Mr. Sibbald's dis-

By request of Mr. Kellie, debate upon lution was adourned until Mon day next.

CORRESPONDENCE ORDERED. Mr. Deane moved, seconded by Mr Macpherson, for a return of all papers, correspondence, evidence and finding of the judge, in connection with the royal

PLACER MINING BILL. On the motion of the Attorney-General the Placer Mining bill received its third

ADVANCED A STAGE.

The Small Debts acts amendment after having adopted section 3, and will ADVANCED® A STAGE. was considered teee with Mr. Kellie in the chair and reported complete without amendment The report was adopted and the third reading of the bill ordered for Thursday. REAL PROPERTY BILL.

HON. MR. MARTIN in moving the second reading of the bill respecting the registration of real property, went carefully into an explanation of the salient features of the Torrens registration system, which it was by this measure proposed to introduce, and characterized the of registration at present pre-in British Columbia as the worst that could be put upon the statute book. was neither one complete or definite system nor another, but a complicated and expensive hybrid, failing to assure the protection of titles in the end. Unthe protection of titles in the end. Under the present system certificates were issued by the registrar on an inspection of documents, and many people were under the impression that these certificates are the impression that the certificates are the certificates are the impression that the certificates are the certif der the impression that these certificates were in the nature of guarantee of title. In reality they meant nothing more than of financial assistance given to and the been made in any link of the ment. chain of conveyance the title was de-stroyed. The only attempt to provide

INFORMATION WANTED

merous amendments to propose in com-mittee, one of which was to make provision that the act should not apply to special skilled labor when such labor is not obtainable in the province; and when the last clause had been disposed of it was discovered that the new law was still so beautifully mixed that it was necessary to start again from the beginning. The Attorney-General wanted it listinctly understood that this was Mr. Macpherson's bill (not the government's) and expressed some surprise that, although the same measure that had been defeated in the house last year, it now ble for its slaughter. Personally he did not think it material in any way, for if celtracts made before the importation of labor could be voided, agreements would be made and the contracts completed when the parties interested are the presentative, the Lieutenant-thrown violently off their feet. For Governor. The project outlined by the explosion and flash, and were thrown violently off their feet. For Governor. The project outlined by the Premier had a peculiar significance at the present time, because although Khartoum was many thousand miles away the parties interested and the contracts completed the present time, because although Khartoum was many thousand miles away the parties interested to the present time, because although Khartoum was many thousand miles away the parties interested to the present time, because although Khartoum was many thousand miles away the parties interested to the present time, because although Khartoum was many thousand miles away the present time, because although Khartoum was many thousand miles away the present time, because although Khartoum was many thousand miles away the present time, because although Khartoum was many thousand miles away the present time, because although Khartoum was many thousand miles away the present time, because although Khartoum was many thousand miles away the present time, because although Khartoum was many thousand miles away the present time, because although Khartoum was many thousand miles away the present time was present time. excited but little opposition from the n connection with the royal of inquiry appointed under Inquiries act, September 15, when the parties interested reached this province. Why did not the introducer of the present time, because almough Khai toum was many thousand miles away, the British Columbia people also belonged to the great British Empire and never

months in the country?

MR. EBERTS, replying to the Attor-MR. EBERTS, replying to the the opposition to this measure last year had not been very pronounced, and was based on the fact the range of politics beyond the smaller and local affairs that were the immediate and local affairs that were the immediate. reading and was finally passed.

GRAND JURORS ACT.
