-When you go to buy dry goods go to a dry goods store. When you go to buy a pair of boots go to a boot and shoe store. When you go to leave your order for a good fitting suit certainly go to tailors who understand that brained of business. Reason teaches that no main can be perfect in many trades. Gibson & Coulter are practical tailors. They keep a full stock of woolens to select from, their prices are moderate, and their fit, style and workmanship are right. You will shad them at 249 Yonge-street, and only there. Call and see them.

"At Lemaitre's, 32 Yonge-street," is the answer. "Sy careful attention to business and using the A I material, and employing only first-class assistants, for Lemaitre has built up a business that will bear comparison with any in the city.
