Toronto Markets.
 Toronto, Feb. 7.—Yesterday's blizzard affected the railways so badly that early buyers at the cattle market to-day thought there would be too few cattle on the exchange to make a market. They were about to leave for the day when a dozen loads arrived in the yards. These were bought up quickly, but not before more loads had come in, and by noon there were fully forty loads marketed. Demand was not overly keen as it is anticipated that every farmer in the countryside will have sent in his little contribution. Prices kept up to Monday's standard, choice butcher steers and heifers fetching \$5.90 to \$5.95, and those of export quality as high as \$6.20. Hogs were weaker, but sheep and lambs were firm, lambs being

quoted as high as \$6.50. The run was 40 loads, 900 cattle, 500 sheep and lambs, 200 hogs and 50 calves.

Hogs—Market easy but steady at \$7. f. o. b., and \$7.30 fed and watered.

Crawford & Co. sold a double deck of lambs at \$5.25 to \$6.25.

Corbett & Hall sold two loads butcher, \$5.35 to \$5.75; cows, \$4.60 to \$5.00.

A. W. McIntosh bought a load of butcher cattle for Montreal at \$5.25 to \$6.

W. L. Jilkins bought 25 butcher, 730 to 920 pounds, at \$4.30 to \$5.60.
