BY GEORGE LANSING TAYLOR, D. D. Clear the track to Washington! Flashed the order from New York. Commerce, travel, all must wait; Fire the steam to lightning power,

Bring out 'Long-legged Tom,' who wheels Stride eight yards at every round! Let them burn along the steels!

Make the splendid engine bound!

Like a fiery dragon's flight,

Let the train the road devour!

Why?" " A mad assassin's hand Shot our President this morn. Garfield's wife to Garfield flies, Garneid's wife to Garneid files, Like an angel, whirlwind borne! Engineer, be bold and true! Test your art's consummate power! Put this little woman through, Fifty miles an hour!

Fifty million patriot hearts Weep, and rage, and curse, and pray Save, O God, our President! Save, O God, our President! Shield his wife and speed her way! Engineer, not this for you:
Yours to stand a brazen tower
And put this one weak woman through, Fifty miles an hour.

"Ten hours' time to Washington "Ten hours' time to washington.
You must cut it down to six!
For our Garfield's hero soul

Grim Charon's bark grates on life's strand
But love shall snatch his lifted oar, For love can bear the fearful strain Of fifty miles an hour !"
