THE FIRE ON THE MORSE ROAD

Since the burning of Mr. Harry Greenlan's house on the Morse Road reported in our last issue we have had an interview with Mr. Greenlan in which he states his loss was over \$5,000 partially covered by insurance. He said that he was awakened at 1:30 a.m. by the cries of his little daughter Hettie, aged four years and some months. When he jumped out of bed he found the interior of the house in flames and was obliged to put a quilt over his head to rescue two of the children. Five minutes from the time his wife and three children escaped from an upper story window the floor on which they were sleeping had fallen to the basement. All that was saved from the burning building was a trunk containing the children's summer clothes. Mrs. Greenlan and three children are now at Black River, Kings County, where Mrs. Greenlan formerly resided. Mr. Greenlan tells his loss very keenly, and says he has been several times to the morgue.

BAPTIST BROTHERHOOD

The Baptist Church of the Bridgetown district is now meeting each Sunday morning at 12 o'clock, immediately at the close of the morning service of worship. A large number of men and women have entered the new classes. The Brotherhood is being taught by the pastor, David Lloyd George in the subject under discussion for the next few Sundays. This organization is enrolling men who have not been in a Bible School for years. It gives promise of soon becoming one of the strongest organizations in the church. All men of the town not connected with a Sunday School class are cordially invited to join this live body of men. In addition to the Sunday services at 12 o'clock there will be week night social gatherings and many other attractive features from time to time.

PRESENTATION

The Junior Baseball team presented their popular manager, Mr. George H. Dixon, with a fountain pen this morning, the pen being that which exists between the manager and the members of the team. Mr. Dixon, who was named completely by surprise, has asked us to publish the following:
To the Junior Baseball Team: I extend my hearty thanks for a beautiful fountain pen with monogram. I certainly appreciate this gift very much, and I trust that the year 1922 will be a very happy and prosperous one for all the boys.

FRIDAY'S BLIZZARD

A snow storm which started Thursday evening following a high temperature with rain, soon became a blizzard throughout the valley and a large portion of the province. Friday morning the streets around town and in the country were blocked with snow and business was practically paralyzed during the day. The train from Yarmouth was only a few hours late but the express from Halifax did not pass Bridgetown until 7:45 Saturday morning. Trains on Saturday were also late. The D.A.R. line was kept open by specials on Sunday and trains were practically on time Monday.

CAN YOU STAND UP?

There are some people who collapse when confronted with difficulties. They simply give up, and conclude it is time for them to die. With others, the worse difficulties they encounter, the more doggedly they set themselves to find a way to overcome them. The latter are the sort that make a success of life and every undertaking with which they have anything to do. Courage, hope, ambition, optimism, are essential whether you are preparing for a Christmas entertainment or contemplating the purchase of a ten thousand dollar farm.
