ONTARIO PROVINCIAL FAT STOCK AND DAIRY SHOW.

Ontario Provincial Fat Stock and Dairy Show to be held at Brantford, Ont., November 30th, and December 1st and 2nd, 1898. Half-fare passenger and freight rates from any part of Ontario to Brantford and return. Good from November 26th to December 6th inclusive.

PASSENGER RATES.

Those desiring to attend as visitors can obtain reduced rates by purchasing a first-class one-way ticket to Brantford, and securing from the ticket agent at the starting point a *Standard Convention Certificate*, duly signed by him. On the return trip, the certificate, on being signed by the secretary of the show, and surrendered to the ticket agent at Brantford at least ten minutes before the train is due to start, will entitle the passenger to free transportation to the starting point. These reduced rates commence November 26th, and continue until December 6th. Should any railway agent in Ontario refuse to furnish a passenger with a *Standard Convention Certificate*, said passenger is requested to purchase a regular ticket to Brantford and return, and obtain a receipt from the agent for the money paid for the ticket, and at once report the matter to the secretary. A rebate for the amount paid for said ticket, in excess of the excursion rate, will be forwarded to the applicant. When passengers have to travel over more than one railway to reach Brantford, they will require to purchase a ticket and obtain a certificate from each of such railways. The return tickets are good for continuous passage only; but the going ticket may be either limited or unlimited.

FREIGHT RATES.

The following reduced freight rates on exhibits have been granted by the C.P.R., G.T.R., T.H. & B. Railways and their connecting lines:

Exhibits forwarded to Brantford at full tariff rates, and reshipped without change of ownership within ten days after the close of the exhibition, will be returned to the original point of shipment free of charge; except that, if exhibits are carted on the return journey by the railway companies' cartage agents, the full cost of this service will be charged against the goods. Stock to be exhibited at Guelph before being returned to the original shipping station, having paid full tariff rates to Brantford, will be carried to Guelph at one-half tariff rates, and will be returned free from Guelph as explained in the above paragraph.
