The Best Time!*

SUMMER STUDY with us is just as agreeable as at any other time.

Perfect Ventilation is secured in our rooms, of 8-feet in height, by ventilators in walls and ceilings. We are situated on one of the highest points in St. John, and are favored with sea breezes from Bay and Harbor. Besides, we have the best summer climate in America.

No better time than now for learning Isaac Pitman's Shorthand, or for training in the most thorough and practical business course obtainable in Canada. Send name and address for catalogue.

No vacations. Students can enter at any time.
