ONE BY ONE.

One by one the sands are flowing, One by one the moments fall; Some are coming, some are going, Do not strive to grasp them all. One by one thy duties wait thee, Let thy whole strength go to each; Let no fature dream clate thee, Learn thou first what these can teach.

()ne by one (bright gifts from heaver) Joys are sent thee here below; Take them readily when given, Ready too to let them go. One by one thy grad's shall meet thre, Do not fear an armed band : One will falle as others greet thee, Shadows passing through the land

Do not look at life's long sorrow; See how small each moment's pain; Ged will help thee for to-morrow, Every day begin again. Every hour that fleets to slowly, Has its task to do or bear; Lummons the crown, and holv, If thou set each gem with care.

Do not langer with regretting, Or for passing hours despond! Nor thy daily toil forgetting, Look too eagerly beyond. Hours are golden links, Gon's token, Reaching Heaven; but one by one Take them, lest the chain be broken Ero thy pilgrimage he done. -Household Words.

HOME MISSION OF THE PRESBYTERY OF HAMILTON.

The Congregations and Mission Stations within the hounds of the above Presbytery, are respecifully requested to forward their contributions at as early a date as may be convenient to myself, or to John McNah, Esq., the Treasurer of t e Home Mission Fund.

In consequence of the recent drafts on the Treasurer, the funds are low, and owing to the accession of two missionaries from the Free Church of Scotland, one of whom has arrived,provision must be made for the winter outlay.

I have considered this general intimation to the local Treasurers preferable to a private cor-

respondence on the subject.

I would further suggest that this notification be kept before the minds of the brethren, and presented to the Congregations at their approaching series of missionary meetings, to be held within the bounds of the Presbytery of Hamilton, duricg the coming winter.

ROBERT INVINE.

Con. of the H M. Com., Press, of Hamilton. TORONTO, Ocr. 13, 1855.

PRESBYTERY OF TORONTO.

The Preshytery of Toronto met on the 10th October. Twelve Ministers and only two Representative Elders, were present. Elders as well as well as ministers, ought to feel it to be their duty to attend the meeting of Presbytery as regularly as practicable.

Ministers should neither be left to the necessity of monopolizing the business of any of our

Church Courts, nor wish to do so.

Mr. Gray, Convener of the Committee on Presbyterial visitations, submitted a pretty fuil and minuto interim report, on which several members made remarks for the guidance of the committee which was continued and instructed to digest the plan more fully, and report at next

meeting.
Mr. Nisbet reported that Mr. McLachlan, of Acton, and himself, according to appointment of Presbytery, had attended to the dispensation of the Sacrament of the Lord's Supper, at Busion Church, Esquesing, and had organised the Cougregation at the town of Milton-the station recently opened in connexion wah Boston Church : and that the state of matters in these congregations is encouraging.

It was agreed to dispense the communion in Brock and Reach in the course of two or three months.

A Committee was appointed to visit these congregations, to inquire particularly into the state of matters there, and endeavor to make arrangements to meet their spiritual necessities.

A petition from the Congregation at Brown's Corners, Markham, praying that Rev. Mr. Boyd be continued as their paster—was handed to the Presbytery by Mr. Walker, one of the Elders.— After deliberation, the following motion was unanimously agreed to, viz:-

The Presbytery having considered the petition from Brown's Corners, Markham, resolve that its prayer is not such as they can concer in, inasmuch Mr. Boyd is not their pastor, nor can so such while continuing to hold the situation of Grammar-school Teacher: inasmuch also as the other station which forms part of the same charge has not been consulted, and appears not to have been made aware that the said petition was to be presented.
