Carters Tested Seeds, Inc.

133 King Street East, TORONTO, ONT.

In most sections of Canada the early Fall is the best time of the year in which to sow down new areas of grass or to renovate existing turf. Ground that needs fertilizing is best treated at this time of the year also, and if earth-worms are troubling your greens or lawn, the warm, damp, muggy days of September and October are the most suitable for eradicating them. We beg to offer you the under-mentioned specialties which have given such astonishingly good results in all parts of the Dominion and the United States:

Carters Finest Grass Seed for Putting Greens, per bush., \$8.75; from 10 to 20 bush., at \$8.50 per bush.; 21 to 60 bush., at \$8.25 per bush.; 61 to 1,000 bush., at \$8.00 per bush.

Carters Fine Grass Seed for Fairgreens, at \$1.00 less per bushel than the above prices.

Carters Complete Grass Manure, used at the rate of two ounces per square yard, per ton, \$80.00; \$42.50 per half ton, and \$4.50 per bag of 100 pounds.

Carters General Purpose Manure, used at the rate of six hundred pounds per acre, and recommended for large areas of grass, Fairgreens, etc. Per ton, \$60.00; \$32.50 per half ton.

Carters Anti-Clover Manure, feeds the grass, but checks leguminous weeds, \$85.00 per ton; \$45.00 per half ton, and \$5.00 per bag of 100 pounds.

Carters Worm Killer effectually kills the earth-worms in turf; used at the rate of one-half pound per square yard. Per ton, \$65.00; half ton, \$35.00; per 100 pounds, \$4.00.

Pulverized Sheep Manure, per ton, \$29.00; per 100 pounds, \$1.90.

Carters Invicta Lawn Grass Seed, a fine cheap mixture, per bushel, \$6.25.

All F. O. B. Toronto.

We shall be very pleased to send particulars of any of these specialties together with samples. New supplies from Enzland have reached us just prior to the outbreak of war, and we can promise immediate and personal attention to all orders so long as our supplies last.

Yours obediently,
CARTERS TESTED SEEDS, Inc.

Montreal Branch: Coristine Building.
