encored for her recitations. The speakers were the pastor, Rev. Mr. Larkin, Rev. J. H. Sowerby and Rev. Dr. MacKay, of Woodstock. Registrar McKellar, as chairman, did his share towards making the event more profitable. The proceeds will be not less than \$100

The Presbyterians, of Centreville, held an excellent social recently. Rev. James Cattenach, pastor of the congregation, presided. A male quartette, composed of Messrs. G. W. Mulligan, Herb King, A. Turner and H. Jones, met with decided approval. A quartette of Mrs. Jones, Miss Fowler and Messrs. Mulligan and Jones also gave unlimited satisfaction. Mr. Mulligan was listened to with pleasure in his rendition of the "Holy City." Addresses of the usual character were made by Rev. Johnston, Millbrook; T. S. McKee, Fraserville; Pilkey, Bailieboro, and A. MacWilliams, Peterborough. Mr. and Mrs. Hugh Waddell, two of Cavan's leading residents and prominent Presbyterians, who are about removing to Peterborough, were presented with an address, accompanied by a handsome and costly chair for Mrs. Waddell. The address was read by Rev. Jas. Cattenach. Mr. Byers handed the chair to the recipient. The proceeds of the entertainment were \$80.

#### CANADIAN MISSION COLLEGE, INDORE BUILDING FUND.

TO THE EDITOR: On the eve of my departure for India, I desire to acknowledge the receipt of the sum of \$7,457.87, for the Building Fund of the Canadian Mission College, Indore, and to ask you to kindly find room in your first issue, if possible, for the accompanying list. In this I have not entered the accounts raised by Mrs. Anna Ross, as they have already been published, but I desire very warmly to express my thanks for the valuable disinterested help she has given this work. I have, also, to refer to the large gift of one friend of four thousand five hundred dollars, which has greatly cheered me and all connected with the work; also the gifts of two missionaries in Honan, Messrs. Grant and MacGillivray, whose interest in mission work extends beyond their own field, needy though it is. We gladly receive the extended hand and welcome the practical, fraternal sympathy. For all the gifts and kind words received, I can only say thanks. At the same time

#### A SIMCOE COUNTY MIRACLE.

THE STARTLING EXPERIENCE OF MRS. ROBINSON,  
OF MIDHURST.

Eleven Years Sickness.—Her case Pronounced Positively Incurable.—She Was Given Up to Die by Two Doctors.—Now a Picture of Good Health and Strength.

From the Barrie Examiner.

Near the village of Midhurst, about six miles from Barrie, stands the smithy of Mr. John Robinson, while within sound of the anvil is his home, where in the midst of a large and leafy orchard dwell the smith and his family. Mr. Robinson is a type of the proverbial blacksmith, with "the muscles of his brawny arms as strong as iron bands." But with Mrs. Robinson it has been different. The wife and mother has for a long time been a victim to acute and painful dropsy of the kidneys. Shortly

If you have made up your mind to buy Hood's Sarsaparilla do not be induced to take any other. A Boston lady, whose example is worthy imitation, tells her experience below: "In one store where I went to buy Hood's Sarsaparilla the clerk tried to induce me to buy their own instead of Hood's; he told me their's would last longer; that I might take it on ten

days' trial; that if I did not like it I need not pay anything, etc. But he could not prevail on me to change. I told him I had taken Hood's Sarsaparilla, knew what it was, was satisfied with it, and did not want any other. When I began taking Hood's Sarsaparilla I was feeling real miserable with dyspepsia, and so weak that at times I could hardly

after the birth of her youngest child (now about 13 years). Mrs. Robinson began to take fainting spells, accompanied by violent headaches. This continued through the years that have elapsed, during which time she had obtained the best medical advice available. For about a year she was in constant terror of going insane. Her dull heavy headache, beating pain in the back, and weak swollen legs and body made her case something fearful. To a representative of the Examiner Mrs. Robinson said:

"It is some five or six years since I took worse, and since then we have spent hundreds of dollars in medicine and for medical advice. The symptoms of my case were heavy headaches, pain in the back and kidneys and swollen legs. I rapidly grew worse, and last July was given up by two doctors to die, and all my friends and neighbors tell me that they never expected to see me out again. I could not raise myself up, could not dress myself, and had to be assisted in everything. Now I am well and strong, and can put out a big washing without any over exertion. I have also suffered from diarrhoea for a number of years, and when I spoke of it to my doctor he said if it were stopped worse results would follow. At the urgent request of my son, who was then living in Manitoba, and personally knew of wonderful cures wrought by Dr. Williams' Pink Pills, I decided to give this remedy a trial. Since using the Pink Pills, I have been completely cured and have felt none but beneficial effects. Only the week before I commenced taking the Pink Pills I was told by a physician that he could not cure me, and that I would likely get worse when spring came. He analyzed my blood and said it was in a fearful state and that my disease was dropsy of the kidneys, which positively could not be cured. This was about the middle of last January. After the third box of pills my back-ache left me and it has not since returned. I have taken thirteen or fourteen boxes in all and owe my recovery to this wonderful medicine. I can't praise Pink Pills too much, whatever I say of them," said Mrs. Robinson.

"I recommend them to everybody. I can't speak too highly of them. They saved my life, and I feel it my duty to let others, who are suffering as I was, know all about them."

Dr. Williams' Pink Pills strike at the root of the disease, driving it from the system and restoring the patient to health and strength. In cases of paralysis, locomotor ataxia, sciatica, rheumatism, kidney and liver troubles, erysipelas, scrofulous troubles etc., these pills are superior to all other treatment. They are also a specific which make the lives of so many women a burden, and speedily restore the rich glow of health to sallow cheeks. Men broken down by overwork, worry or excesses, will find in Pink Pills a certain cure. Sold by all dealers or sent by mail, postpaid, at 50 cents a box, or six boxes for \$2.50, by addressing the Dr. Williams' Medicine Company, Brockville, Ont., or Schenectady, N.Y. Beware of imitations and substitutes alleged to be "just as good."
