

CHICAGO MARKET.

CHICAGO MARKET--August 23, 1899.

FROM OUR SPECIAL CORRESPONDENT.

EXPORT AND CASH DEMAND GOOD
—WHEAT ADVANCES AT LIVERPOOL—CROPS INJURED BY WET WEATHER.

Chicago, August 23.

Export for immediate supplies is, according to report, proceeding vigorously, and cash demand does not diminish. Offerings from farmers have diminished almost to vanishing point. To these causes and to the excessive rains of the past two days is attributed this morning the advance in wheat at to-day's openings.

May wheat $\frac{1}{4}$ up, September $\frac{3}{8}$ up, Dec. $\frac{3}{8}$ higher, corn $\frac{1}{4}$ higher in May and Sept. varieties, December corn being at the same price.

May oats sold $\frac{1}{4}$ higher, Sept. $\frac{3}{8}$ higher, while Dec. oats was $\frac{1}{4}$ lower.

Jan. pork 2c lower, Sept. 1c lower, and October same.

January lard same price, September 3c lower, October same.

January short ribs same price, September ribs at same price as previous close.

Reports of wheat crop are not becoming more favorable, but the corn crop report is becoming more and more favorable as the days go by.

Liverpool cables give weather fine. Dec. wheat $\frac{1}{4}$ higher, inactive and prices steady, October corn being unchanged. A second cable states wheat and corn as being unchanged.

Chicago hogs received 26,000, cattle 20,000, sheep 18,000.

At Kansas hogs received 9,000, cattle 16,000.

At Omaha hogs 6,000, cattle 3,000.

Primary receipts last week 429,774, shipments 202,559.

Last year 970,767, shipments 209,031.

Four ports, 292,952, shipments, 176,047.

N. W. cars Minn. 107, Duluth 68: last week 184, last year 375.

Rain of the past two days is considered injurious to the crop, but is likely to cause wheat to sell much higher.
