

**T**HIS is the season when many patients need but cannot tolerate Cod Liver Oil.

You want to be sure that the full medicinal value is in any palatable product claiming the virtues of the Oil.

**WE CAN SHOW YOU**  
the full process of the manufacture of the Extract from the fresh untainted livers which are used in

## **GADUPHOS**

No secret or uncertain process. Simply a true extract containing all the virtues of the Fresh Livers combined with true Glycerophosphates. Any patient will tolerate it and show prompt improvement where indicated.

May we not send you a sample ?
