Sedgwick Steel Wire Fence

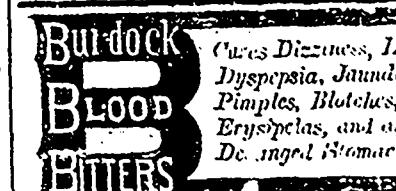

Is the only general purpose wire fence in use, being a
strong, flat-wire without bars. It will turn dogs, pigs,
sheep, and poultry, as well as the most vicious stock,
without injury to either fence or stock. It just fits the fence
for farms, gardens, stock ranges and railroads, and very
well for lawns, parks, school houses and cemeteries. Coated
with rust-proof paint or varnish it will last a lifetime.
It is superior to Boards or Barbed Wire in every respect.
We ask for a fair trial, knowing it will wear well
into favor. The Sedgwick Gates, made of wrought
iron pipe and steel wire, fully equal to cast iron
strength and durability. We also make Gates and
chairs, and Iron Automobiles, etc. Open Gates and
Gates and Gates and Gates. Also manufacture
excellent wind engines for pumping water, or geared engines for
driving water, or geared engines for grinding
and other light work. For prices and particulars
see hardware dealers, or a firm manufacturing wire
