Mansion House Hotel, Baltimore, Md., 20th October, 1871.

Mr. James I. Fellows—Dear Sir: I have just finished the tenth and lust bottle of your estimable Syrup of the Hypophosphites. To its use I ascribe cessation of cough, of sharp pains in my back and chost, and of copious expectoration; also, return of appetite, buoyancy of spirits, increase of flesh and strength to perform my daily duties with a degree of pleasure unknown to me for a long time. The gold I have experienced from it is beyond description, and I advise all persons afflicted with consumption not to delay a day in taking it. Feeling sure that were it not for your Hypophosphites, I would now be in my grave.

Yours truly, GEO. C. FOUT.
