For Cementing on to Glass only.

Is a new candidate for popular favor and for some years to come is likely to take the foremost place with those who desire an elegant window sign at a reasonable price. Being concave on the back and mirrored in gold or silver by a new and patented process, they show on the front or face side a convex or half-round effect, and the mirrored finish is altogether more brilliant and attractive than that of any other letter on the market while their durability is of the very best.
