### LANTERN LECTURES ON THE HISTORY OF THE CHURCH BY THE Rev. Henry Mason Baum, D.C.L.

A Course of three lectures, illustrated by 300 views of great artistic beauty, and projected on the screen by the most powerful double lantern made.  
 These lectures are heartily commended by the clergy of the cities in which they have been given.  
 The Rev. Dr. Baum gave a series of illustrated lectures on the History of the Church in the chapel of Trinity Church, Buffalo, to the great delight and profit of all who had the privilege of listening to him. The chapel was crowded every evening, and all regretted when the series came to a close. The style of the lecturer, the clear and vivid manner in which his subjects were presented, left an impression which will not be soon effaced.  
 FRANCIS LOEDKILL, Rector.  
 Engagements can now be made for the season of 1893-4. For particulars address,
