PURE SPICES BROWN & WEBB; (LATE AVERY, BROWN & CO.) WHOLESALE DRUGGISTS, —AND— Spice Merchants, HALIFAX, Invite the attention of readers of the Church Guardian to the UNRIVALLED EXCELLENCE of the Spices ground and sold by them. For more than Twenty-Five years, our House has made PURE SPICES A specialty. Having been Pioneers in introducing and advocating their use in place of the MISERABLE TRASH very commonly sold in these Provinces as Ground Spices. We were the FIRST, and for many years the ONLY packers of really Genuine Ground Spices in Halifax, and with little or no advertising Avery, Brown & Co.'s UNADULTERATED GROUND SPICES have come to be recognized in most parts of Nova Scotia as THE BEST. The result has been the gradual creation of a demand for better Spices, and other packers and dealers have been forced to meet this growing improvement in popular taste by furnishing better goods than formerly. Still while most grinders profess to supply Pure Spices, they also, send out several inferior grades, thus admitting that they practice adulteration. The recent reports of the analysis of Spices and Foods, by the Inspectors appointed by the Dominion Government have thrown fresh light upon the enormous extent of the adulteration practiced upon Spices. Reference to these reports will show that BROWN & WEBB'S SPICES have invariably stood the test, and been reported Absolutely Pure Spice. The only excuse for the adulteration of Spices is that the price is thus reduced; but this really only benefits the dealer at the expense of the consumer. In reality as the value of Spices depends only on its Strength and Flavor The Best is Always the Cheapest. Our sale of Pure Spices has increased to a very gratifying extent, and as we purchase the whole Spices in large quantities in the best markets of the world, we are enabled to offer our Genuine Spices at little, if anything, higher prices than are demanded for inferior goods of other brands. Be it understood, however, that we will never sacrifice the QUALITY of our goods to the rage for CHEAPNESS, but will always maintain the standard of purity which has given our brand of Ground Spice the preference wherever it is known. Our Spices are ground by Steam Power, on our own Premises, packed in tin-foil packets of 2 ounce and quarter pound FULL WEIGHT, and labelled with OUR NAME. They may be had at all the leading retail grocers throughout the Maritime Provinces. We request the favor of a TRIAL of them by any who have not already used them. Convinced that their own merits will secure their continuous use. Ground Allspice. Ground Cinnamon. Ground Cloves. Ground Ginger. Ground Pepper. Mixed Spices. BROWN & WEBB, WHOLESALE DRUG AND SPICE MERCHANTS, Halifax,
