Three Issues of Telephone Securities

Telephone Companies are classed as Public Utilities or Public Service Corporations. In offering the three issues mentioned below, we cannot give you a better reason why you should invest in them or a better explanation as to why the best informed investors buy them, than by quoting the words of a great American Banker: "Business depressions and panics have no terrors for the holders of Public Utility Securities. The necessities supplied by these Corporations are of such a nature that the public cannot do without them, no matter what the financial stress."

These issues we offer in lots to suit purchasers.
