Mercantile Summary.

THE assessment of the City of Winnipeg amounts to \$19,392,410, and the taxes to \$357,381.

HARRY E. MOSS, a New York manufacturer of clothing, has assigned. Liabilities \$125,000. The failure is due to the absconding of a clerk in his employ with \$60,000.

A. BRAND'S dry goods store at Embro, was robbed of from \$100 to \$200 worth of dry goods the other night, and a quantity of dry goods were stolen from John Rutherford's shoe store in the same village.

AN assay of ore recently discovered near Sudbury shows free gold, and that assayed is valued at from \$7,000 to \$8,000 per ton. So says Mr. Hays, of Toronto, according to a press despatch. He also found good specimens of copper ore.

A. T. HATCH & Co., stock brokers, New York, failed, on Monday last, to the surprise of Wall street. Mr. Hatch had been among the "shorts," and heavily interested in Reading Railway shares. His liabilities are estimated at a million.

THE contract for a steamer, to ply between Hamilton and Toronto, has been let to a Toronto builder, and the new screw boat is to be ready next. She is intended to carry 700 passengers; and by means of triple expansion engines is to reach a speed of 18 miles per hour. Her dimensions will be, length 165 feet; beam 26 feet, and draught 9 feet.

THE bailiff is in charge of the premises of R. B. Keeler, Blyth, jeweller, and a wholesale firm in this city which holds a chattel mortgage has also sent a man to take charge of the premises.—Prensau & Galbraith, dry goods dealers, Chatham, whom we noted last week as having assigned, have since arranged a compromise at 70 per cent. with interest, payable within eight months. Their liabilities are \$13,000; assets are a similar amount.
