

Fashion And Comfort

With so many events, social and otherwise, during June month the question of correct dress demands more than ordinary attention. This may particularly be said of gentlemen's garments. To those at the point of deciding it is just in place to mention that the frock coat is, and may always expect to be, popular. This season's plates are putting forward the three button shape which make up very handsomely in nice soft Vicunas. To complete the suit one will wear a double-breasted vest of same goods, or of fancy linen, and for trousers neat worsted pattern of just sufficiently lighter shade than the coating to make a pleasing contrast. ❖ ❖

HENRY A. TAYLOR, the Rossin Block, is showing a great range of Fine Woolens for such suits, and has also a splendid assortment of the Fancy Linen Vestings, and there's that individuality about his designs that at once stamps them as gentlemen's garments. ❖ ❖ ❖ ❖

CANADA is to have two more Atlantic liners. The "Prince George," one of the new steamers for the Dominion Atlantic Railway Co., will reach this side some time this week, while the "Prince Arthur" will come a fortnight later.

ONE of the northern lake monsters, the steel steamer "Superior City," left Chicago last week for Midland, Ont., with 267,000 bushels (nearly 7,500 tons) of Indian corn for export via Montreal. She had arrived in 56 hours. Her draft of water was 18 feet; length, 464 feet; breadth, 48 feet.

So many objections have been made by employees of the Grand Trunk Railway to the proposed new regulations governing their men that Mr. Blair, the Dominion Minister of Railways, has asked Mr. Hays not to put the new regulations in force till Mr. Blair's return at end of August. To this request Mr. Hays will of course accede, because his regulations need the assent of the Governor-in-Council.

ACCORDING to the Amherstburg Echo, tobacco plants are a very scarce article in Essex county. John McNutt & Son had several hundred thousand, but are unable to promise any more until they fill orders booked early. They are besieged daily with persons after plants. They have refused orders for 100,000. J. S. Patton was lucky enough to secure 40,000 to set out on eight acres on the Elliott farm, which is at the extreme southern point in Malden township, just at the mouth of Detroit River.
