ÆTNA Life Insurance Company

OF HARTFORD.

This Company did a larger amount of business in Canada in the year 1872 than any other Company reporting to the Dominion Government. See Government Returns.

Its Policies are all strictly non-forfeitable

thus doing justice to all, and compelling none to forfeit their payments through inability to continue paying

It furnishes Insurance on all just and equitable Plans.

Its Mutual Rates average lower than any purely Mutual Company.

Its Stock Rates average lower than any purely Stock Company, besides guaranteeing the amount of paid-up Policy which will be given on account of surrender of Stock Policies—done by no other Company in Canada. Its ten year term plan is peculiar to itself, allowing the insured to withdraw the whole of the reserve on account of his policy when he attains the age of seventy, if he desires to do so.

Its ratio of expense to income is far below the average.

It is prompt in payment of claims, careful in the selection of risks, and guards with the utmost jealousy the interests of its Policy-holders generally.

It is believed no Company doing business in the country has higher claims upon the public.

Persons desiring information either in regard to Agencies or Insurance, will please address,

His Excellency the Governor General in Council, on the recommendation of the Honorable the Minister of Inland Revenue, and under the authority aforesaid, has been pleased to order, and it is hereby ordered, that all the Inland Revenue Laws of Canada, in so far as they relate to the issuing of Licenses and the imposition of fines, penalties, and duties on distillers, malsters, and brewers, and on spirits, malt, and malt liquor, and all laws respecting the collection and management of revenue derived therefrom be, and the same is hereby declared to apply to and be in force in the Province of Manitoba.

Life Association of Scotland.

Invested Funds upwards of £1,000,000 Sterling.

THIS INSTITUTION DIFFERS FROM OTHER Life Offices, in that the BONUSES FROM PROFITS are applied on a special system for the Policy-holder's personal benefit and enjoyment during his own lifetime, with the option of large bonus additions to the sum assured. The Policy-holder thus obtains a large reduction of present outlay, or a provision for old age of a most important amount in one cash payment, or a life annuity, without any expense or outlay whatever beyond the ordinary Assurance Premium for the Sum Assured, which remains intact for Policy-holders' heirs, or other purposes.
