S1,000 REWARD FOR ITS SUPERIOR.

Washing made light and easy. The clothes have that pure writeness which no other mode of washing can produce. No rubbing required—no friction to injure the fabric. A ten-year-old girl can do the washing as well as an older person. To place it in every household, the price has been placed at \$3, audif not found satisfactory, money refunded. See what the Bupitst says, "From-personal examination of its construction and experience in its use we commend it is a simple, sensible, scientific and successful machine, which succeeds in doing its work admirably. The price, \$3, places it within the roach of all. It is a time and labour-saving machine, is substantial and enduring, and is cheap. From trial in the household we can testify to its excellence."

Delivered to any express office in Ontario or Quebec, charges paid, for \$3.50.
