Militia Department,  
Ottawa.

My dear Mae B:-

I am enclosing herewith a personal letter received from Major Wolfe-Merton, an officer whom, no doubt, you remember very well.

I suggest that you take it up with Regan, and I know you will see that he gets a square deal.

I shall see you the latter part of next week. I intended to go to Ottawa this week, but decided instead to visit my Mother and kiddies, whom I have not seen for some months.

Ever yours faithfully,
