Professor Percy E. Nobbs,  
Phillips Square,  
Montreal.

My dear Nobbs:-

I am returning herewith Mr. Vaughan's  
letter.

The matter of suitable memorials to  
Sir William Macdonald and Sir William Peterson is  
engaging the attention of the Board of Governors.  
When the present stress of work eases up I hope that  
we can decide on some definite line of action.

Yours faithfully,

Principal.
