Milner, M.A., F.R.G.S., Author of the "Gallery of Nature," &amp;c. Each Map is accompanied by a letter-press, describing in brief language its prevailing Geographical Structure, chief Political Divisions and Cities, with the Manners, Religion, and Industrial Occupation of its Inhabitants. A copious Consulting Index, both to the letter-press and Maps, is given—in the latter case, with a reference to the position on the Map of the District or City named.
