

- Intestinal obstruction, Mayo Robson's hobbin, 161
 obstruction, Murphy's button, 160
 ——— obstruction, paralytic, 229-239
 obstruction, physical signs of, 151-154
 obstruction, symptoms of, 148-151
 obstruction, treatment of, 150-170
 ulceration, syphilitic, 201
 ulceration, uræmic, 291
 Intestine, anatomy of small, 1
 Intestines, drainage of, 105
 Intra-abdominal tumours, 50-51
 Intra-cranial diseases, simulating abdominal lesions, 561
 Intussusception, 170-191
 ———, diagnosis of, 182-184
 ———, etiology of, 170-174
 ———, pathology of, 174-177
 ———, physical signs of, 179-182
 ———, symptoms of, 177
 ———, treatment of, 184-191
- JEJUNAL** ulcer, 271
 Jejunum, fossæ in connection with, 25
 ———, rupture of, 539-542
- KIDNEY**, acute infections of the urinary tract, 429-433
 ———, Dietl's crises in movable, 426
 ———, renal colic, 427-429
 ———, rupture of, 526-531
 Kidneys, anatomy of, 13
- LACERATION** of mesentery, 525
 ——— of omentum, 524
 Laparotomy, technique of, 64-77
 Lead colic, 294
 Lee's stitch, 500
 Lesser sac abscess, 134-135
 Leukaemia, simulating acute abdominal lesions, 563
 Liver, abscesses of, 37-385
 ———, acute yellow atrophy of, 386
 ———, anatomy of, 9
 ———, jaundice of phosphorus poisoning, 388-390
 ———, multiple abscess of, 385
 ———, rupture of, 518-522
 ———, tropical abscess of, 379
 Local peritonitis, 120
- Lymphatics of the abdominal viscera, 20-21
 of the abdominal wall, 18
- MASSIVE** pulmonary collapse, simulating acute abdominal lesions, 558
 Mayo Robson's hobbin, 161, 502
 Meckel's diverticulum, 270
 diverticulum, anatomy of, 7
 diverticulum, intestinal obstruction caused by adherent, 207-209
 Mesenteric apertures, intestinal obstruction due to strangulation through, 219-221
 embolism and thrombosis, 150-155
 Mesentery, laceration of, 525
 Meso-colon, transverse, 23
 Mucous colitis, 293
 Mumps, simulating acute abdominal lesions, 554
 Murphy's button, 160, 502
 Muscles, of abdominal wall, 15
- NERVES** of abdominal wall, 17
 Neuroses, gastric, 245
 ———, intestinal, 292
- OBSTRUCTION**, biliary, 394
 ——— intestinal. *See* **INTESTINAL OBSTRUCTION**.
- Œdema**, angio-neurotic, 403
 Omentum, laceration of, 524
 ———, torsion of, 141-142
 Operation for simple strangulated inguinal hernia, 469-472
 Operations for diseases of the gall-bladder, 371-379
 Operative treatment of appendicitis, 334-344
 Osteomyelitis of the lumbar vertebrae simulating acute abdominal lesions, 563
 Ovarian artery, 22
 ——— cysts, complications of, 442-445
 ——— cysts, rupture of, 445
 ——— cysts, suppuration of, 445
 ——— cysts, torsion of, 442
- PALPATION** in abdominal diseases, 47-50
 Pancreas, anatomy of, 11
