

YORK COUNTY AND SUBURBS

EARLSCOURT DISTRICT WILL NOT BUY GERMAN-MADE GOODS

That German-made goods will soon be offered for sale in Earlscourt is the opinion of the local business men as well as the Earlscourt branch of the G.W.V.A. and what can be done to prevent the sale is causing some comment in this section.

Now that the blockade is raised it cannot be very long before articles barred for sale during the war will be exposed for sale in the stores and probably bearing the imprint of American manufacturers, said one prominent business man on St. Clair avenue.

An effort will be made to organize all associations in Earlscourt to get together for a big united stand against the possibility of this district being dumped with enemy-made goods.

PEACE ARRANGEMENTS ARE NOW COMPLETE

Complete arrangements have now been made for the peace day celebrations Saturday in Royce Park. The stores in the Earlscourt district are displaying cards notifying the public that Saturday will be a general holiday. The Italian fruit stores so far have not signified their intention of closing.

BAPTIST EXCURSION

Members and friends of Boon Avenue Baptist Church made a trip to Wabasso Park, Hamilton, yesterday by boat. Two civic street cars took the party from St. Clair avenue. Rev. W. F. Roadhouse and Mrs. Roadhouse accompanied them.

APPRECIATION FRAMED

The letter of thanks and appreciation sent by the French consul, Charles R. de la Sabliere, to the Earlscourt branch of the G.W.V.A. on the occasion of the visit of the famous French Blue Devils to Earlscourt a year ago, has been framed and hung in the secretary's office at headquarters, Belmont Hall.

NEW RIFLE CLUB

A new rifle club is being organized in the Earlscourt district, and the business men are becoming members. Shooting butts will be erected in the Eglington district, where there is plenty of field space. A. G. Clark, manager of the Imperial Bank, Earlscourt branch, is the organizer. A meeting will shortly take place.

HEAR DELEGATE'S REPORT.

Earlscourt great war veterans held a meeting at Belmont Hall last night for the special purpose of hearing the report of Comrade John Watson, the delegate who was appointed to represent this branch at the Vancouver convention. President P. J. Richardson presided.

ROYCE PARK BONFIRE.

Tradesmen who have any rubbish to burn are asked to bring it to Royce Park before 10 a.m. Saturday, in order that a big bonfire may be built to celebrate peace.

DANFORTH

TRUSTEES PROPOSE UNITED SCHOOLS

At a well-attended meeting of the school trustees and ratepayers of school section No. 26, recently held in Second School, F. A. Davis, chairman, presiding, the question of increased school accommodation was discussed at considerable length, and it was decided to authorize the board to prepare plans for an additional eight rooms on the next session, to cost in the neighborhood of \$60,000.

It was also decided to meet the school trustees and ratepayers of school section No. 7, Woodbine Heights, in the near future, to discuss the advisability of forming a united school section. W. H. Bessey pointed out that the scheme if adopted would simplify the distribution of pupils among the several schools. The district, he also pointed out, was very congested.

The question of truancy was also discussed and it was decided that severe measures would be taken at the opening of the next session with children who absented themselves from school.

The chairman pointed out that the truancy officers, J. Edwards and Philip Pedlar, had shown both parents and children every leniency in the past owing to many of the fathers being overseas. The feeling of the meeting was that stern measures must be taken in future to enforce discipline. There was a large attendance.

PRESBYTERIAN S. S. PICNIC.

Greenwood Avenue Presbyterian Church Sunday school held their annual picnic at New Beach yesterday. Special T. S. R. and Danforth civic cars conveyed the children and their parents to the picnic grounds, where in enjoyable time was spent by the party, which numbered over 200.

Rev. D. M. Ramsey, pastor, accompanied the party.

Newsdealers, Attention

Newsdealers requiring extra copies of The World on Saturday morning (Peace Day) will please send in their orders before Friday midnight, as additional copies will not be obtainable after 8.00 a.m. Saturday.

The Toronto Sunday World will be delivered as usual to city newsdealers on Saturday evening, July 19th, unless stop orders are received.

MIMICO HURLED ACROSS TRACKS OF ONCOMING RADIAL

A man whose identity is at present unknown was thrown on the tracks by a speeding motor car in front of a radial car on the Lake Shore road near Mimico last night and was saved from decapitation thru the prompt action of the driver of the radial car who promptly applied his emergency brake. The car came to a standstill a bare few inches from the man who lay stunned across the tracks.

AUTO BUS DRIVER PUTS OUT BURNING CADILLAC

The prompt action of C. Mack, driver of The Auto Transit Bus Company's vehicle number one, saved a big Cadillac eight motor car, owned by Carrick's livery, Bay street, from incineration on Tuesday night near stop 11 on the Lake Shore road. The driver, J. Gribble, it is stated, was examining his tank with a lighted match when the gasoline exploded. C. Mack used the Auto Bus' fire apparatus to good effect.

TODMORDEN WILL HOLD TAG DAY FOR RECEPTION HALL

A joint meeting of the G.W.V.A. Todmorden branch, war auxiliary and ratepayers was held last night in Torrens Avenue School, when the question of raising funds for the erection of a reception hall for the district was discussed.

Dr. R. H. Fleming occupied the chair and reports of the various organizations were considered. It was decided to hold a two days' campaign, commencing Saturday, Aug. 2, and Monday, Aug. 4, commencing with a tag day and a parade of the great war veterans, headed by a military band.

The following were elected on the sports committee Arthur Wild (convener), L. Penglar, Wm. Burgess, J. Harry, Jos. Davies, E. Crean, A. H. Rousby and F. H. Hitchens.

Among those present were Mrs. (Dr.) H. H. Fleming, J. A. Macdonald, third deputy reeve; Mrs. Crossley and others.

TOWNSHIP COUNCIL INSPECT DISTRICTS

Leeve F. H. Miller and members of York township council made a tour of inspection of the Todmorden and Woodbine Heights districts yesterday afternoon.

"Considerable repairs and works of improvements required to be done in these sections," said a member of the

council to The World, who added that concrete sidewalks would be placed on Turrens, Gamble and Pape avenues, and culverts would be placed under Washington avenue in the Woodbine Heights district and a road leading to the farm of Hon. Geo. Henry.

HORSE HAD TO BE SHOT.

A horse, the property of Harry Hibbert, Gamble avenue, Todmorden, slipped and fell on Don Mills road just north of the city limits yesterday. The animal was shot owing to the nature of its injuries. Mr. Hibbert valued the horse at \$200.

A LOVER OF HENS.

Corp. R. E. Skinner, C.E.F., who returned from overseas to his home on Gowan avenue, Todmorden, on Friday last, lost no time in getting down to work on his favorite hobby, the raising of black Minorca hens. He secured a lot of 45 feet by 150 feet in depth, on Gowan avenue the following day for the purpose of hatching and raising his choice brand of poultry.

RIVERDALE

LIBERTY LEAGUERS ORGANIZE WARD FOUR

A public meeting of the Citizens' Liberty League was held in Broadway Hall, corner of Spadina and College, last night for the purpose of organizing a ward branch and a branch was to be shortly organized among the farmers in York Township.

In his opening remarks the chairman pointed out that the league was rapidly growing in favor among the people of Ontario and a branch was to be shortly organized among the farmers in York Township.

There are now 20 branches throughout the province, with a total membership of 18,000. Four branches recently formed in Toronto have a combined membership of 3750.

Roy Tanner, Art Carvel and Chas. S. Townsend also spoke.

SILVERTHORN

The G. W. V. A. will hold a picnic at High Park tomorrow. Come with us and have a good time. The veterans of this district have undertaken to build a hall and the co-operation of this district is greatly needed and will be appreciated by the returned men. Further information will be gladly furnished by the secretary, Mr. Knox.

SCARBORO

GOODWILL AND MUSCLE BUILT MODERN BARN

That goodwill, co-operation, muscle and a lusty "Yo, leave, ho!" can work wonders, was demonstrated yesterday at an old-time "barn-raising," held on the Peter Spring farm, fourth concession, Scarborough. In spite of the heat, nearly two hundred

friends and neighbors assembled to help the work along. Under the capable leadership of Frank Weir and Tios Marshall, the small volunteer army soon had the timbers collected and put together, and the result is a fine, modern barn. Refreshments were provided by the women of the party, an hour or two was spent in neighborly fashion, and a day borrowed from pioneer days came to an end.

TRY TO STRAIGHTEN TESTIMONY OF FORD

Mount Clemens, Mich., July 17.—Henry Ford's fourth day on the witness stand in his \$1,000,000 libel suit against The Chicago Daily Tribune was much like yesterday in subject matter and in the prolonged multiplying of questions to obtain answers. This was true even of answers which he returned yesterday but which apparently he had forgotten over night. He repeated such words as "preparedness," "over-preparedness" and "militarism" in such apparent disassociation with the questions that Attorney Elliott G. Stevenson, counsel for The Tribune, occupied pages of transcript in trying to straighten the testimony into coherence.

MISS BELL'S DEATH NOBODY'S FAULT

Coroner's Jury Say Obstructed View Caused Car Collision.

"We find that the cause of the accident was the obstruction of view, and, therefore, attach no blame to anyone." This was the verdict returned by a coroner's jury at the morgue last night, inquiring into the death of Caroline E. Bell, who was killed on June 30, at Stop 19 on the Kingston road, when the truck, in which she was a passenger, was struck by a riding car. The jury added a rider, recommending that a sign be put up at the crossing and the branches of the trees on that part of the road be removed so as to give a better view.

Coroner Dr. C. E. Curry was in charge of the proceedings and Crown Attorney Richard Greer represented the crown. Practically all the witnesses giving evidence stated that the overhanging branches of the trees on that part of the road obstructed the view for even a short distance, and Samuel Barnes, driver of the truck, stated that one would have to get out of an auto, and proceed up to the crossing in order to tell whether a street car were approaching.

Could Not See. In giving his evidence, Barnes, who is only 15 years of age, stated that he had slowed down at approaching the crossing as he was aware of the danger. He did not notice the street car until it was a car length away and was then unable to avert an accident, although he made an effort to do so.

Replying to the crown attorney, the lad stated that he was in trouble before he noticed the approaching street car and did not see it before because of the branches of trees. Barnes was laid up two weeks with a broken collar bone and scalp wounds as a result of injuries received.

Other occupants of the car corroborated Barnes' evidence in regard to the obstruction of view at the crossing. In his final address to the jury the coroner said that while the death of the girl was without doubt due to an accident, there was no reason that the driver should not have safeguarded the lives of his passengers.

FEARS NO HOPE FOR BRITISH PROHIBITION

Newcastle, England, July 17.—In his presidential address at the Wesleyan Methodist conference today the Rev. William Theodore Adulla Barber, discussing the possibility of prohibition in Great Britain, said: "I think our chance of prohibition would have been good if at the beginning of the war we had made a strong effort to obtain it. We have seen the magnificent results of the operation of the liquor control board, but our chance has been lost and I fear it won't return."

Speaking of prohibition in America, he declared that England must do the same if she is to maintain her commercial position in the world.

THE INTELLIGENT WAY TO DO PLUMBING

Not by employing every Tom, Dick or Harry, that thinks he is a plumber; not by using any old kind of goods, that look like brass; but our way—the best way. We get the best mechanics in the city, and don't stop at that, but train them—educate them to become better mechanics—which they must be, to be a member of our organization, which is ready at all times to serve you. That's Our Service.

YORK TOWNSHIP.

NOTICE is hereby given that a By-Law (No. 4728) was passed by the Municipal Council of the Corporation of the Township of York on the 30th day of June, 1919, providing for the issue of debentures to the amount of \$18,000.00 for the purpose of enabling the Board of Public School Trustees, School Section No. 25, in the Township of York, to install and equip sanitary plumbing and drainage in King George and George Street School, in said Section, and that such By-Law was registered in the registry office for the east and west ridings of the County of York on the 3rd day of July, 1919. Any motion to quash or set aside the same, or any part thereof, must be made within three months after the 4th day of July, 1919, the date of the first publication of this notice, and cannot be made thereafter.

Dated this 4th day of July, 1919.

W. A. CLARKE,
Clerk of York Township.
