of Coleman Township. Mining men will at once realize the value of these properties by the fact that the south lot adjoins on the north the premising Cleveland-Cobalt property, and also has the Hudson's Bay property on the east, and the Big Veins of Silver Queen Mine

running west into this lot. The north lot lies in the midst of

**Equally Valuable Properties** 

**EXPERT'S REPORT** Mr. S. Lawrence, M.E., who submitted a report after examination of both properties, says that on the South property there is a "strong vein eighteen inches wide." The value of the North claim, he submits, is "enhanced by the fact that on the claim next east on sinking is found native silver."

. . "The two properties are well located, being only one mile from the railway, and also in the heart of the mineral belt.

Since that report a 40-foot shaft has been sunk, and four exceedingly promising veins uncovered and stripped, showing NATIVE SILVER AND COBALT.
